The League to Save Lake Tahoe is dedicated to protecting and restoring the environment within the Tahoe Basin. Our organization's charter demands we leave the environment better than how we found it. In addition, our host is exceedingly generous to allow us to use his property year after year and if we wish to be invited back, we need to make certain we are cleaning the venue and returning it to the state to which we arrived.

AN EQUAL OPPORTUNITY EMPLOYER

Dedicated EMS Standby Agreement

THIS AGREEMENT, made this 5th day of February, 2024, by and between League to Save Lake Tahoe, and North Lake Tahoe Fire Protection DISTRICT, 866 Oriole Way, Incline Village, Nevada 89451, hereinafter referred to as the DISTRICT, and CLIENT, League to Save Lake Tahoe.

WHEREAS, CLIENT is requesting dedicated standby services; and WHEREAS, the District is willing to provide such services under the terms set forth herein.

NOW, THEREFORE, it is agreed as follows:

1. The DISTRICT agrees to provide dedicated EMS standby service(s) to the CLIENT. Standby service, meaning an emergency vehicle staffed personnel as agreed upon, will locate themselves at a function or event and will remain dedicated to that event unless a major incident occurs, and their services are required elsewhere. Such vehicle will be equipped to provide care at the capacity as agreed upon as required by the CLIENT. Pursuant to paragraph 3 below, dedicated standbys are subject to the availability of EMS crews and resources.
2. The DISTRICT agrees to provide dedicated standby emergency medical service(s) to the CLIENT named above for the dates, times, and locations specified in the *STANDBY AND CLIENT INFORMATION* attached to this Agreement and incorporated by reference.
3. Due to the call volume of EMS, dedicated standby services are subject to the availability resources. In addition, even if a CLIENT requests and agrees to the conditions of dedicated standby services, certain extreme, catastrophic, or immediate life-threat emergencies may still require The DISTRICT to utilize the vehicle assigned to the dedicated standby. If this occurs during a scheduled dedicated standby (with this Agreement in place), and a lapse of on-site EMS coverage occurs, another ambulance/crew will be routed to the event upon availability.
4. Hourly charges for this service begin from the time the crew arrives at the designated standby until it is released from the event, with a *two-hour minimum charge per dedicated standby service*. The DISTRICT reserves the right to waive fees.
5. Dedicated standby service fees are as follows:

Resource	Cost
Firefighter / Advanced EMT	\$50.41 / hr.
Firefighter / Paramedic	\$57.97 / hr.
Advanced Life Support Ambulance (Staffed)	\$157.12 / hr.
Jet Ski (equipment only)	\$27.70 / hr.
ATV / UTV (equipment only)	\$14.79 / hr.
Boat (equipment only)	\$120.00 / hr.

6. Upon completion of dedicated standby services, The DISTRICT will bill CLIENT for costs associated with this Agreement and CLIENT agrees to pay all fees within 30 days of invoice receipt.
7. The DISTRICT reserves the right to refuse any Dedicated Standby Agreement submitted by CLIENT.
8. This Agreement may be canceled by either party by giving 48-hours advance notice.
9. Nothing herein shall be construed to create a higher standard of care on the part of EMS than generally recognized under the rules and regulations set forth by the Nevada State Health Division Office of Emergency

Medical Systems. The DISTRICT crews may only operate under written protocols and procedures specifically approved by the DISTRICT Medical Director.

10. The charges provided for herein reflect only those charges associated with making EMS readily available to the CLIENT. The normal charges for the care and transportation of patients will be the responsibility of the patient.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the date first above written.
