

NDOT SR 431-28 TAHOE PROJECT

**State Route 431 and 28 Construction
Resumes May 1**

Traffic Control

The third construction season of State Route 431 and 28 improvements is scheduled to begin **Monday, May 1, weather dependent.**

For the first few weeks of the season, normal working hours are from **Sundays 8:00 p.m.- Fridays at 7 p.m.** All work is weather permitting and excludes major holidays.

Drivers can expect multiple work zones and up to 30-minute delays with single lane, flagger-controlled closures.

Commercial vehicles with air brakes (26,000 pounds or greater) are prohibited from traveling westbound over Mt. Rose Summit from Mt. Rose Ski Resort to Incline Village. Trucks will be allowed traveling eastbound from Incline Village to Reno. Nevada Highway Patrol (NHP) officers will be monitoring.

Your understanding and patience is appreciated as we work to improve Nevada highways.

NDOT SR 431-28 TAHOE PROJECT

Construction begins May 2023, weather dependent.

The Nevada Department of Transportation and Q&D Construction are entering into the third working season of revitalizing and enhancing the existing roadway and utility system along portions of SR 431 and SR 28. These improvements, along with others, will help preserve pavement and protect Lake Tahoe.

Traffic Control

During the construction season and working hours:

- Traffic will be reduced to a single lane in work zones. Flaggers will control traffic flow in these areas. **Drivers can expect multiple work zones and up to 30-minute delays.**
- Commercial vehicles with air brakes not permitted westbound on SR 431 over Mt. Rose Summit from Mt. Rose Ski to Incline Village. *Restrictions will be lifted once work on Mt. Rose concludes.*
- Full road closures on side streets are possible. Access and detour routes will be provided in advance.

Working Hours

Includes daytime and nighttime hours (24-hours a day). All work is weather permitting and excludes major holidays.

- Normal working hours:
Sundays 8:00 p.m. — Fridays noon
- Early and late season hours:
Sundays 8:00 p.m. — Fridays 7:00 p.m.

Did you know? You can sign up for project text alerts to receive reminders about traffic changes that can help with your commute. To sign up, text "INCLINE" to (775) 242-9168.

Below is a preliminary schedule for this season's work (May - October 2023):

The schedule is subject to change.

- MAY**
- SR 28: Installing ITS conduit through Incline Village (Northwood Blvd. to Ponderosa Ranch Rd.)

Tahoe-area highway updates via text and Twitter

Text the word "**Incline**" to 775-242-9168 to sign up for project related construction updates. You'll receive text alerts for major lane and other closures right to your phone.

Also, follow @nevadadotreno on Twitter for highway conditions and updates for your northwestern Nevada commutes and travels.

Ride! Let others drive.

We are encouraging Lake Tahoe visitors to find a ride versus drive to help reduce the amount of traffic within the basin. Tahoe Transportation District's East Shore Express, and Tahoe Truckee Area Regional Transportation's Mainline / TART Connect, are some local and cost-effective solutions to riding around Tahoe. Learn more about these services and others by visiting: <https://www.inclinehighways.com/resources>.

The Nevada Department of Transportation and Q&D Construction's SR 431-28 Tahoe Project is a multi-year highway improvement project that will revitalize and enhance the existing roadways and utility/drainage systems helping preserve pavement and protect Lake Tahoe.

*Drivers can expect reduced speeds through the work zone and up to 30 minute delays.
Construction operations are weather dependent and subject to change.*
