

Sun Valley Incident Data - 2022

Joe Schum

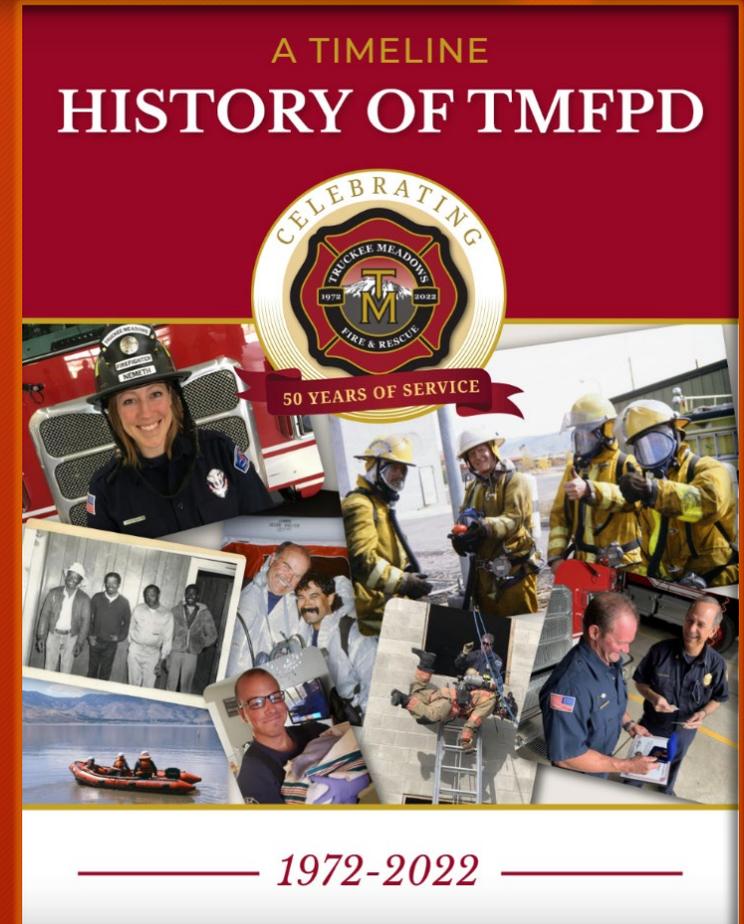

Division Chief

Citizen Advisory Board presentation - February 4, 2023

TMFPD briefly

- 1972 County Bill #282 and Ordinance #188 formed the Truckee Meadows Fire Protection District
- Sun Valley Volunteer Fire Department was one of twelve volunteer departments
- 1974 Sun Valley was one of the first career staffed stations
- Glendale Ave. was the other
- 1980's TMFPD grew to 7 stations
- 1990's First to train FF's as EMTs and then intermediates, continued regional haz-mat team, developed water rescue program, and added hydraulic rescue tools to apparatus

TMFPD briefly

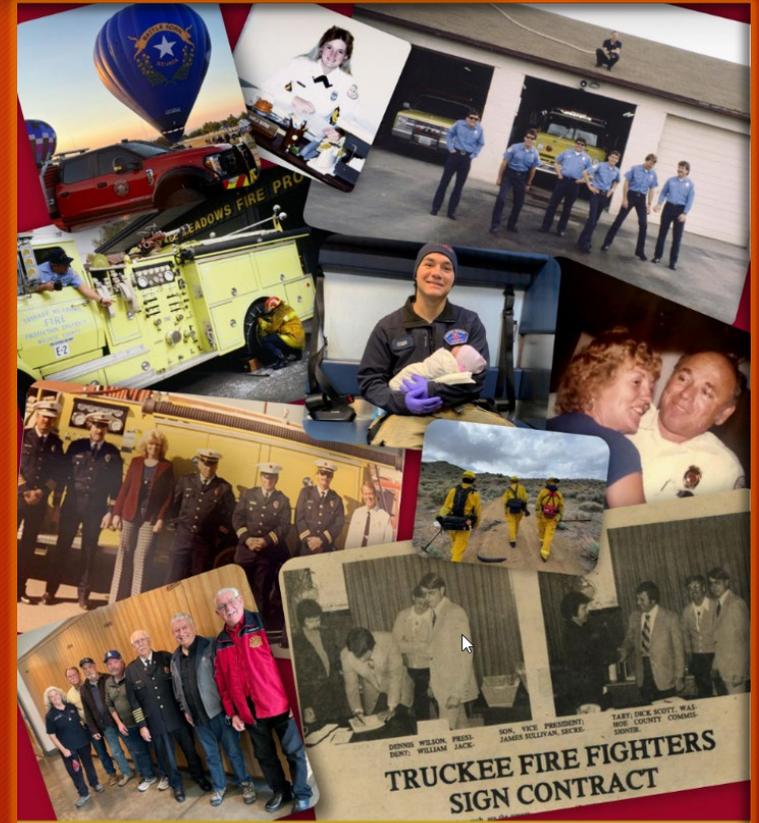

2000 - 2012

TMFPD and City of Reno entered interlocal agreement for services.

2012 - Present

TMFPD has continued to expand service to Washoe County citizens

- Paramedics on all apparatus and ambulance transport services
- Chest compression devices (aiding in CPR effectiveness)
- Two rebuilt stations, two remodeled stations, one addition
- Two new stations in planning stages
- Wildland Fuels Division and Green Waste program added
- Administration/Fleet/Logistics building purchased
- Staff increased from 100 to 191
- Many apparatus purchases and other improvements to the district have and continue to occur

A special thank you to the hard work and dedication of the TMFR 50th Anniversary History Committee lead by Harry Wheeler and Maureen O'Brien.

What do we do?

TMFPD serves over 1,000 square miles of unincorporated Washoe County

- Separate from the county but governed by the five Washoe County Commissioners
- Covers additional areas north of township 22 to include Rancho Haven and northern Palomino Valley
- More than fire response...
 - EMS, Wildland, Hazardous Materials, Water Rescue, Technical Rescue, Fire Prevention and Life Safety, Training
- Ten strategically located fire stations operate 24/7
 - 9 Fire engines, 1 Ladder/Engine, 3 Ambulances, 2 Battalion Chiefs
 - 40-45 personnel per day at full strength.
