

Time to Tidy Up with T&T: Tires & TVs!

Free E-Waste & Tire Drop-Off Event for Sun Valley Residents

Let's blow away the clutter and defuse illegal dumping with our T&T-themed drop-off day — made possible thanks to the leadership of Commissioner Mariluz Garcia, who proudly represents Sun Valley.

No need to monitor your old tech or tread lightly with your tires — we've got you covered. This free event is all about community pride, saving you money on costly disposal, and keeping our beautiful desert clean.

Join us for a special T&T (Tires & TVs) event where you can safely dispose of tires and e-waste (TVs, monitors, and more).

Accepted Items Include:

- Tires: Up to 15 tires per household (pickup truck size or smaller)
- E-Waste: TVs, monitors, computers, laptops, and other electronics — if it plugs in, bring it in!

Location: Scolari's Parking Lot — 5430 Sun Valley Blvd, Sun Valley, NV 89433

When: Saturday, May 31 | 9:00 AM — 12:00 PM

Cost: FREE for Sun Valley residents! First come, first served.

Special thanks to our partners in the community
