# YOUR WASHOE COUNTY COMMUNICATIONS TEAM

We have one singular purpose that drives us. We want to help you inform and engage our Washoe County citizens about what you do, how you do it, and why what you do is vitally important to their lives. To do that we know that we also need to help you share information not only out “there”, but also with each other, within the walls of Washoe County.

Whether it’s communicating a special event, a new initiative, how to keep our community safe, or simply promoting transparency in what you do, the Communications Division can help you deliver your message and reach people in ways that matter to them.

With over 75 years of collective experience and expertise in creative communications (public relations, social and traditional media, branding, web design, and data/planning to name a few), our Communications Team can help you create a press release, post on social media, print outreach materials, and so much more.
