

Options Veterinary Care Nonprofit Clinic – May 16, 2025

Washoe County Animal Services Advisory Board Meeting

Options is a full-service nonprofit, affordable, high-quality clinic located at 4690 Longley Ln., Suite 1, Reno - a program of Humane Network.

Mission: Providing veterinary care to pets who would otherwise suffer without it when their owner cannot afford needed care.

Options services:

- Wellness care
- General medicine
- Diagnostics (in-house lab work, digital X-ray, ultrasound)
- Surgery (soft tissue surgeries, spay/neuter)
- Dental care
- Pharmacy
- Primarily for dogs and cats

Options is able to provide affordable care by:

- Using incremental care strategies
- Working with partner organizations that cover costs for some clients
- Grants
- Donations from individuals and local businesses

Last year Options provided veterinary care to over 9,800 local dogs and cats.

Thank you to Washoe County for including Options in public spay/neuter funding from ARPA funds and to WCRAS for supporting spay/neuter efforts.

How Options is using the ARPA funds:

3,200 spay/neuter surgeries for Washoe County including:

- Free TNR spay/neuter surgery for cats trapped in Washoe County
- Free spay/neuter for Washoe County rescue groups
- Affordable and free spay/neuter for Washoe County pet owners

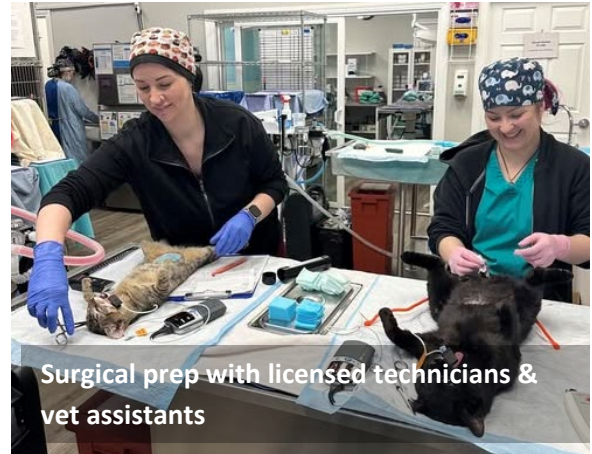

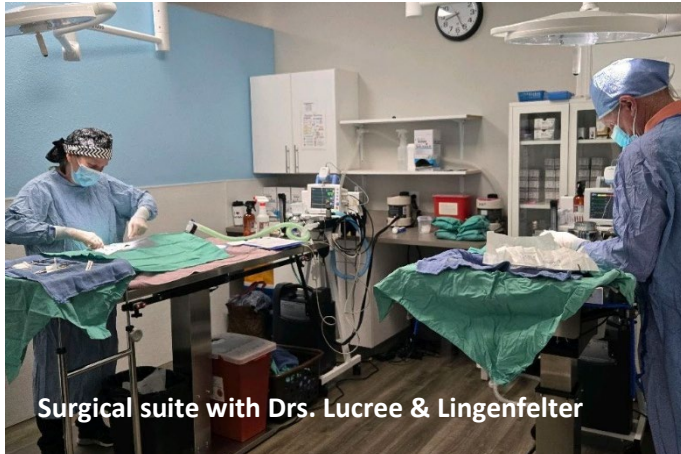

Surgical team at the end of a spay day

Since the funding was awarded Dec. 10, 2024 through April 30, 2025 Options has performed 1,634 spay/neuter surgeries.

623 of these surgeries will be covered by Washoe County ARPA funds.

Total spay/neuter number includes those funded by the SPCA-NN voucher program, out of county animals, or those fully paid by the pet owner.

February Spay Neuter Awareness Month

Joint effort of Options Veterinary Care, SPCA of Northern Nevada and Washoe County Regional Animal Services.

Together, these organizations exceeded their goal of 500 surgeries in February with a total of 542 dogs and cats being fixed. Of these surgeries, 383 were performed at Options.

WCRAS staff transporting dogs for spay/neuter for Reno Sparks Indian Colony Spay Day

In 2024, Animal Services took in 611 puppies and 721 kittens, many from unwanted litters!

Spaying and neutering helps control the population and support pets in need.

Spay Days for Reno Sparks Indian Colony

March 12 & 13, 2025 Options provided surgeries for dogs and cats from both Reno and Hungry Valley tribal communities. The SPCA-NN and WCRAS provided transport for those in need from both Reno and Hungry Valley tribal locations.

Some of the pets who have benefited from spay/neuter services at Options this year.
