Application for Senior Services Advisory Board

Additional Information:

I am currently an alternate member of the Washoe County Senior Services Advisory Board and seek appointment to the At-Large position, which will be vacated by Marsy Kupfersmith if she is appointed to fill the open District 2 seat, so that I will again have a permanent voice on the board. I have been a very active member of the board since my appointment to the board in 2013---being a member of the leadership team, helping organize candidate forums, Older Americans Month. helping fundraise for needy seniors, and training seniors in advocacy skills. I am currently the Chair of the Reno Senior Citizen Advisory Committee and have worked to build strong working relationships between the Reno advisory group and the WCSS advisory group so we can work together to advocate for all our seniors to improve programs for them locally, and at a state and federal level. I am an active senior citizen and know the value of having strong community programs to keep seniors healthy, active and engaged. I have served as a leader of many community groups and know how to get things done efficiently and creatively in the group process. I've been involved in senior issues for over 20 years as a caregiver and community volunteer and want to continue to support Washoe County's senior program development and expansion with my time, expertise and passion.

I want to clarify my application for the voluntary position on the Senior Advisory Board, District 5 application. Specifically the volunteer section. I am NOT currently serving with the Washoe County Search and Rescue group. I entered a date in the two fields related to dates served, and when the save bar is clicked, the fields default to present.

My dates of service were 2005 to 2007. I attempted to correct this twice and both times the fields defaulted to present.

Best regards,

Daniel Scinto

Kind Regards,
