Operation Downtown

Adopted Vision Statement

Downtown Reno will become a greater cultural, social and economic hub of our valley. We must encourage investment in people, social support services, safety, open spaces, housing and commercial ventures and cultural venues. By bridging the University, the Truckee River and south to Plumb Lane, downtown Reno will be the hub of a new dynamism that will catapult the entire City to share in the rebirth.

Adopted Mission Statement

Operation Downtown is dedicated to and engaged in an effort to prioritize needed and desirable projects and provide feasible solutions that have broad community support and can be fully implemented to make a significant and positive impact in blight, homelessness, drug and alcohol addiction, and mental health issues to move towards downtown revitalization, economic development, tourism enhancement, affordable housing, and creation of a pedestrian friendly and walkable downtown that will become an integral part of the City of Reno.
