FROM: James Popovich, Specialty Courts Manager, Second Judicial District Court

SUBJECT: Request the Board of County Commissioners to acknowledge the Professional Services Agreement for medication assisted treatment services for Medication Assisted Treatment Court between the Second Judicial District Court and Quest Counseling and Consulting, in the amount of \$156,154, retroactive from the period July 1, 2016 through June 30, 2017. (All Commission Districts)

SUMMARY

The Professional Services Agreement between the Second Judicial District Court (Court) and Quest Counseling and Consulting (Quest), a private, non-profit organization, allows the Court to offer comprehensive co-occurring therapy and medication assisted treatment to its participants engaged in the Medication Assisted Treatment (MAT) Court. The MAT Court provides a formal therapeutic court to address substance uses disorders, specific to opioid use, for participants actively engaged in a medication assisted treatment program, under the direction of a licensed physician. The costs to the Court associated with serving this population include substance abuse counseling, drug testing, case management, and to contract with an MAT qualified Physician.

County Priority supported by this item: Safe, secure and healthy communities.

PREVIOUS ACTION

The Board acknowledged a grant award on January 26, 2016, in the amount of \$314,136, awarded to the Second Judicial District Court, which was used, in part, to fund the MAT Court.

BACKGROUND

The 78th session of the Nevada Legislature provided a general fund appropriation of three million dollars each year of the biennium to enhance specialty court programs. The Administrative Office of the Courts sent a request for applications in August 2015 to each participating District statewide to submit applications for new or existing Specialty Courts. A condition of this funding is to serve an additional 800-900 participants

statewide, each year of the biennium. The Second Judicial District Court was awarded funding for a new MAT Specialty Court for the period November 1, 2015 through June 30, 2016 and from July 1, 2016 through June 30, 2017.

The Court selected Quest Counseling and Consulting to provide the behavioral health and medication assisted treatment for the MAT Court participants, based on their ability to provide integrated therapy, medication, and psychiatric services, at the same location.

FISCAL IMPACT

There are sufficient appropriations in the Fiscal Year 2016-17 budget for District Court to cover these costs. The District Court also received notice that they will receive grant monies to cover this contract cost. Award of the grant is included in another item on today's agenda to acknowledge a total grant award of \$1,163,448.

RECOMMENDATION

It is recommended that the Board of County Commissioners acknowledge the Professional Services Agreement for medication assisted treatment services for Medication Assisted Treatment Court between the Second Judicial District Court and Quest Counseling and Consulting, in the amount of \$156,154, retroactive from the period July 1, 2016 through June 30, 2017.

POSSIBLE MOTION

Move that the Board of County Commissioners acknowledge the Professional Services Agreement for medication assisted treatment services for Medication Assisted Treatment Court between the Second Judicial District Court and Quest Counseling and Consulting, in the amount of \$156,154, retroactive from the period July 1, 2016 through June 30, 2017. Treatment intensity will vary based on assessment, established by Contractor, and according to the American Society of Addiction Medicine (ASAM). Contractor will provide treatment for ASAM level 1 placement of care. Treatment will be provided for a minimum of one year and up to 18 months. Services will include an assessment for behavioral therapy and medication assisted treatment needs, treatment planning, individual and group sessions, transition planning, and medication for those in need of opioid treatment services (OTS).

OBLIGATIONS OF CONTRACTOR

3. Contractor shall attend drug court staffing sessions and Medication Assisted Treatment Court hearings at least every other week to provide in-person reporting on participants' compliance with drug treatment and rehabilitation services, including medication assisted treatment services. This on-site commitment is estimated to be at least three hours each appearance. Travel time and mileage will not be compensated.
4. Contractor will compile notes from all of its staff who have contact with the Medication Assisted Treatment Court participants and conduct internal staffing sessions with assigned counselors.

5. Contractor will be present at Medication Assisted Treatment Court proceedings per the direction of the presiding Judicial Officer to report on participant's treatment progress and other testimony requested by an authorized Judge of the Court. Medication Assisted Treatment Court is held every Wednesday at 10 a.m. in Courtroom A at the Second Judicial District Court. A multi-disciplinary staffing will be held at 9:30 a.m. on the same day as Court, at the same location. The Court may change the day and/or time of the Medication Assisted Treatment Court, if necessary, as determined by the Court.
6. Contractor's officers and employees will be available for consultation with an authorized Judicial Officer of the Court at reasonable times, with advance notice, so as not to conflict with other responsibilities. Contractor's officers and employees will also be available to attend Medication Assisted Treatment-related conferences and trainings as requested.
7. Contractor will utilize the Drug Court Case Management system (DCCM) to provide the presiding Judge and Team of the Medication Assisted Treatment Court with information about the assessment, treatment plan, session type, and number of treatment hours and participant progress, on a continuous and timely basis. Progress notes and recommendations will be entered by 10:00 a.m. every Tuesday. This documentation should also include but not be limited to: diagnosis, prescribed medication type, amount, and frequency for medication assisted treatment services, treatment attendance, counseling progress, ancillary services, and attendance record since admittance into the program.

Contractor agrees to follow practices consistent with generally accepted professional and technical standards for drug rehabilitation, mental health, and medication assisted treatments.
9. Should any of Contractor's officer, employee or agent under this Agreement be unable to complete his/her responsibility for any reason, the Contractor will replace that individual with a qualified person immediately. If Contractor fails to make the required replacement within 30 days, and this failure prohibits in any way the provision of intensive therapeutic treatment services, the Court may terminate this Agreement immediately by providing written notification to Contractor.

DISTRICT COURT RESPONSIBILITIES

10. The Court Chief Fiscal Officer and the Specialty Courts Manager shall administer this contract. Such administration will include the review of all reports, billing

verification, the coordination of all meetings, and response to all questions of Contractor.

11. The Court agrees to provide to Contractor all information in its possession necessary to Contractor to complete the services required of Contractor hereunder.
12. Upon execution of this Agreement, Contractor shall submit one monthly billing statement to the Contract Administrator. Payment will be made by the Court within 30 days of receipt of Contractor's billing statement.
13. Failure to comply with any term or condition of this Agreement shall be valid reason for the Court to refuse to make any payment or portion thereof.
14. The Court will compensate Contractor at a rate of **\$4,461.54** per participant. Treatment will be provided for a minimum of one year and up to 18 months. The total cost for services provided pursuant to this Agreement will not exceed **\$156,154**. These services will only include those not reimbursable through alternative funding streams.

TERMINATION

15. In the event that the Court believes that Contractor is not performing services satisfactorily or in a timely fashion, the Court will notify Contractor of such fact. Except as provided for by paragraph 16 of this Agreement, Contractor will have 30 days to cure performance to the Court's satisfaction. If not cured within 30 days to the satisfaction of the Court, the Court may terminate this Agreement by written notice to Contractor of such termination.
