

BCC 1/16/18: County Manager Announcements

Update on Reindeer Lodge

- The Reindeer Lodge is located on Mt. Rose Highway and has suffered extensive damage to the roof/ building with last season's heavy precipitation and posted unsafe as of April of 2017.
- The site was secured for public safety following posting to include fencing, signage to eliminate public access.
- Field teams have been monitoring progress on the site and Code Enforcement has visited the site following recent storms to ensure the property remains secured.
- Washoe County Staff have been working directly with the property owner since April 2017 to secure the property and plan for the remediation.
- The property owner is responsible for remediation of the property. Washoe County is following internal administrative procedures to work with the property owner to address issues on the property.
- Individuals interested in a status of the property can review public information online at www.onenv.info or call Washoe311 at 3-1-1 or (775) 328-2003.
