April 9, 2019
10:00 a.m.

NOTE: Items on the agenda may be taken out of order; combined with other items; removed from the agenda; moved to the agenda of another meeting; moved to or from the Consent section; or may be voted on in a block. Items with a specific time designation will not be heard prior to the stated time, but may be heard later. The Consent is a single agenda item and is considered as a block and will not be read aloud. The Board of County Commissioners may take breaks approximately every 90 minutes.

Accessibility. The Washoe County Commission Chambers are accessible to the disabled. If you require special arrangements for the meeting, call the Office of the County Manager, (775) 328-2000, 24-hours prior to the meeting.

Public Transportation. Public transportation is available to this meeting site: RTC Routes 2, 2S, 5 and 15 serve this location. For eligible RTC ACCESS reservations call (775) 348-5438.

Time Limits. Public comments are welcomed during the Public Comment periods for all matters, whether listed on the agenda or not, and are limited to three minutes per person. Additionally, public comment of three minutes per person will be heard during individually numbered items designated as "for possible action" on the agenda. Persons are invited to submit comments in writing on the agenda items and/or attend and make comment on that item at the Commission meeting. Persons may not allocate unused time to other speakers.

Forum Restrictions and Orderly Conduct of Business. The Board of County Commissioners conducts the business of Washoe County and its citizens during its meetings. The presiding officer may order the removal of any person whose statement or other conduct disrupts the orderly, efficient or safe conduct of the meeting. Warnings against disruptive comments or behavior may or may not be given prior to removal. The viewpoint of a speaker will not be restricted, but reasonable restrictions may be imposed upon the time, place and manner of speech. Irrelevant and unduly repetitious statements and personal attacks which antagonize or incite others are examples of speech that may be reasonably limited.

Responses to Public Comments. The County Commission can deliberate or take action only if a matter has been listed on an agenda properly posted prior to the meeting. During the public comment period, speakers may address matters listed or not listed on the published agenda. The Open Meeting Law does not expressly prohibit responses to public comments by the Commission. However, responses from Commissioners to unlisted public comment topics could become deliberation on a matter without notice to the public. On the advice of legal counsel and to ensure the public has notice of all matters the Commission will consider, Commissioners may choose not to respond to public comments, except to correct factual inaccuracies, ask for County staff action or to ask that a matter be listed on a future agenda. The Commission may do this either during the public comment item or during the following item "Commissioners'/County Manager's announcements, reports and updates, requested for information or topics for future agendas."

Pursuant to NRS 241.020, the Agenda for the Commission Meeting has been posted at the following locations: Washoe County Administration Building (1001 E. 9th Street, Bldg. Introduction and first reading of an ordinance pursuant to Nevada Revised Statutes 278.0201 through 278.0207, approving Amendment of Conditions Case Number WAC19-0001, amending Development Agreement DA09-002, originally approved in 2009 and previously amended in 2013 (Amendment of Conditions AC13-006), to extend the deadline for filing the next final map for Sun Mesa Tentative Map TM04-001 (approved for 207 lots) to April 28, 2020, with all subsequent final maps submitted for filing after April 28, 2020 being subject to the deadlines set forth in NRS 278.360. The applicant and property owner is Landstar Sun Mesa, LLC. It has a master plan category of Suburban Residential and regulatory zones of Medium Density Suburban and Open Space. The property is within the boundaries of the Sun Valley Citizen Advisory Board. 11. Public hearing: Affirm or reverse the Planning Commission's denial of Master Plan Amendment Case Number WMPA18-0006 and Regulatory Zone Amendment Case Number WRZA18-0006 for Marshall Ranch. Should the Board decide to reverse the denial, possible action to adopt the Master Plan and Regulatory Zone Amendments and, if adopted, authorize the Chair to sign the resolutions to that effect.

WMPA18-0006 seeks to adopt an amendment to the Washoe County Master Plan, Warm Springs Area Plan to change a Master Plan Category on three parcels totaling ±1,088.88-acres to Rural Residential; to establish a character management area (CMA) with a character statement and specific policies governing these properties; and to amend Policy 4.6 to allow Medium Density Rural within the CMA. The subject parcels were recently removed from the City of Reno's Sphere of Influence, where they had a Reno Master Plan Category of Special Planning Area and which currently have a Washoe County Master Plan designation of Rural per Policy 1.2.16 and the translation table contained in Appendix 7 of the 2012 Truckee Meadows Regional Plan.

Subject to final approval of the associated Master Plan change and a finding of conformance with the 2012 Truckee Meadows Regional Plan, WRZA18-0006 seeks adoption of an amendment to the Warm Springs Regulatory Zone Map, changing the Regulatory Zone from General Rural (maximum density one dwelling unit per 40 acres) to Medium Density Rural (maximum density one dwelling unit per five acres) and Open Space (no allowable density). If approved, these changes would potentially allow for up to 187 dwelling units, compared to the 27 dwelling units allowed by the current regulatory zone. The applicant and appellant is Krater Consulting Group and the property owner is Winnemucca Holdings, LLC. The subject site is comprised of three parcels in the Warm Springs planning area, located at 9055 Winnemucca Ranch Road (APNs: 079-220-23 [±244-ac.]; 079-220-26 [±41.5-ac.]; 079-220-37 [±803.2-ac.]). The existing master plan category is Rural, and the proposed category is Rural Residential. The existing regulatory zone is General Rural, and the proposed regulatory zones are Medium Density Rural (±935-ac.) and Open Space (±153-ac.). The site falls within the boundaries of the Warm Springs/Rural Citizen Advisory Board. Community Services. (Commission District 5.) FOR POSSIBLE ACTION
