Bills of Interest for Washoe County from the 2021 Legislative Session

Presented: 5/18/2021

New Staff Recommendation on Bills

Staff Direction to Support

<p>AB3</p>	<p>Revises provisions concerning the electronic transmission of certain maps and other documents relating to the approval of divisions of land. Would make changes to NRS to allow for certain maps and other documents used for the land use planning approval to be transmitted electronically and obtain the necessary approvals. This change would be permissive. <i>Amend and Do Pass from Senate Government Affairs on 5/13</i></p>	<p>Support</p>
<p>AB33</p>	<p>Authorizes the establishment of paternity in proceedings concerning the protection of children. Makes changes to the process for determining paternity for children concerning the safety and protection of the child. Will mirror other judicial procedures and processes to help determine the paternity of the child and make the system more efficient. <i>Do Pass from Senate Judiciary on 5/7</i></p>	<p>Support</p>
<p>AB90</p>	<p>Directs the Legislative Commission to appoint a committee to conduct an interim study concerning the impacts of projects of intercounty significance. Creates an interim study to look at large projects that received tax abatements and the impacts of those projects on the county where the project was built and neighboring counties. <i>Amended and referred to Ways and Means</i></p>	<p>Support</p>
<p>AB196</p>	<p>Requires courthouses to contain lactation rooms for use by members of the public under certain circumstances. Requires courthouses to have lactation rooms available to members of the public for use with some limited exemptions. <i>Amended and referred to Ways and Means</i></p>	<p>Support</p>
<p>AB397</p>	<p>Revises provisions relating to county clerks. Removes the requirement for the Clerk's office to remain open until midnight everyday of the year to issue marriage licenses. Changes the date that a Clerk's office is to transfer money collected for a marriage certificate to be used for a technology fund to the Treasurer and expands some of the applicable uses of the technology fund for the office of the Clerk. <i>Heard in Senate Government Affairs on 5/10</i></p>	<p>Support</p>
<p>AB422</p>	<p>Makes various changes relating to elections. Creates a centralized database through the Secretary of State for the collection and storage of voter pre-registration and registration. <i>Amended and referred to Ways and Means</i></p>	<p>Support</p>
<p>SB263</p>	<p>Revises provisions relating to elections. Currently if a voter changes their political party affiliation then the voter registration is cancelled and a new one is created. This removes the requirement to cancel the voter registration for a change in political party affiliation. Makes changes to military-overseas ballots to have the deadline to voter align with other voting option deadlines. <i>Passed Senate 21-0</i></p>	<p>Support</p>
<p>SB297</p>	<p>Revises provisions relating to agriculture. Adds to a master plan an inventory of vacant and blighted lands. Requires the Council on Food Security to <i>Amended and referred to Finance</i></p>	<p>Support</p>

SB346	Imposes a tax on the retail sale of certain digital products. Creates a sales tax on digital goods and a tax on satellite service providers that would go to the state. <i>Amended and referred to Senate Finance</i>	Support
-----------------------	--	----------------

Staff Direction to Oppose

AB424	Revises provisions relating to pretrial release. Result of the Valdez-Jimenez case which states that less restrictive options needs to be considered before they can consider setting bail requirements and the right to nonexcessive bail. Would require that courts hold a pretrial release hearing within 24 hours of the person being taken into custody. Prohibits use of standardized bail schedules. Removes the ability for governmental entities to admit a person to bail if the person has been arrested for a felony while released on parole or probation and requires a court to decide. Provides that bail can only be withheld if there is a shown danger to the community or concern of the appearance in court. Requires the court to consider federal poverty lines when considering bail amounts. Affords individuals the right to an attorney for their pretrial release hearing. Sets standards for prosecutors to be able to request bail or conditional release <i>Heard in Senate Judiciary on 5/12</i>	Oppose

This proposal would require that same notification if the bill creates revenue to the state or local governments.</p> <p><i>Exempt- Referred to Senate Legislative Operations and Elections</i></p>	Watch
<u>SB107</u>	<p>Makes various changes relating to the statute of limitations for certain causes of action.</p> <p>Creates a 2 year statute of limitations for any wrongful termination of employment, the 2 year starts at the conclusion of any administrative proceedings concerning the claim.</p> <p><i>Heard in Assembly Judiciary on 5/4</i></p>	Watch
<u>SB108</u>	<p>Establishes provisions relating to juvenile justice.</p> <p>Requires that any employee of the criminal justice system whose scope includes routine contact with juveniles who are involved in the juvenile justice system to complete training relating to implicit bias and cultural competency created by the Division of Child and Family Services of the Department of Health and Human Services. Establishes that any person who files a petition that commences a juvenile proceeding must submit an affidavit that certifies every person involved in the decision has completed this training. Allows for the Nevada Supreme Court to adopt additional court rules for such trainings for any magistrate, judge, master or employee in the juvenile court system.</p> <p><i>Do Pass from Assembly Judiciary on 5/7</i></p>	Watch
<u>SB109</u>	<p>Revises the provision relating to the collection of certain information by governmental agencies.</p> <p>For any county agency that already gathers demographic information such as race and ethnicity would be required to add gender identity or expression and sexual orientation. Same as the question of race or ethnicity, the questions of gender identity or expression and sexual orientation will not be required to be filled out by any individual.</p> <p><i>Amend and Do Pass from Assembly Government Affairs on 5/12</i></p>	Watch
<u>SB122</u>	<p>Requires certain health and safety training for certain employees of cannabis establishments.</p> <p>Alters the requirements set for employees and supervisors working in a cannabis establishment to include a safety training that would additionally require the proof of their completion of the safety training in clear view of their patrons and included civil penalties for not complying.</p> <p><i>Do Pass from Assembly Commerce and Labor on 5/10</i></p>	Watch
<u>SB168</u>	<p>Revises provisions relating to cannabis.</p> <p>Establishes provisions granting the use of curbside pickup for cannabis establishments, reserves the right for local governments to create zoning rules prohibiting curbside pickups for these establishments. Restrictions enforced on cannabis packaging must not include language requiring the approval of a local government before it is used.</p> <p><i>Do Pass from Assembly Judiciary on 5/12</i></p>	Watch

<p>SB235</p>	<p>Revises provisions relating to cannabis. Requires the Cannabis Compliance Board to conduct a study every 2 years of the market of cannabis and cannabis products in Nevada to determine whether the demands of the market necessitate the issuance of additional adult-use cannabis establishment licenses or if additional licenses are needed. This will be effective January 1, 2022. Amended and referred to Finance</p>	<p>Watch</p>
<p>SB267</p>	<p>Establishes provisions relating to the collection and reporting of information concerning diversity and equality in the workplace. Requires the Department of Taxation to develop a survey to collect data and information concerning diversity and equality in the workplace from corporations, state and local governments. Amended and referred to Finance</p>	<p>Watch</p>
<p>SB278</p>	<p>Revises provisions relating to taxation of cannabis. Removes excise tax from being imposed to any transfer of cannabis cultivation facility if the cannabis cultivation facilities are affiliated. Heard in Senate Finance on 4/28</p>	<p>Watch</p>
<p>SB281</p>	<p>Enacts provisions relating to certain products containing hemp. Creates a definition of "consumable hemp product" to be limited by the amount of THC and that it is intended for consumption. Requires independent testing of the products to ensure safety standards are met. Creates a violation process and fee structure. Creates a "consumable hemp product retailer" and sets an excise tax on each retail sale of consumable hemp products at a rate of 1%. The taxes collected will be distributed to the Department of Health and Human Services for carrying out the provisions and any remaining funds will go to the State Education Fund. Heard in Senate Finance on 5/12</p>	<p>Watch</p>
<p>SB283</p>	<p>Revises provisions relating to local improvements. Allows for a local government to create a district for one or more qualified improvement projects. Such a district can be created if the governing body makes a finding that the creation will serve certain public purposes, the governing board adopts a resolution for the creation and administration of the district and each owner of the impacted area agrees to the creation. The projects would be funded through a lien placed on the impacted properties. Amend and Do Pass from Assembly Government Affairs on 5/12</p>	<p>Watch</p>
<p>SB284</p>	<p>Revises provisions relating to transferable tax credits for affordable housing. Makes changes for the issuance of transferable tax credits issued by a local government for the purpose of affordable housing. Would make the tax credits issued before the project is completed rather than after. The final applications for the transferable tax credits must be submitted not less than 45 days before the project is closed. Also removes the current sunset date of July 1, 2023. Maximum amount of transferable tax credits for affordable housing cannot exceed \$40,000,000 statewide. Do Pass from Assembly Revenue on 5/13</p>	<p>Watch</p>
<p>SB286</p>	<p>Revises provisions relating to public employees. For the purposes of strengthening collective bargaining agreements this expands the definition of supervisory employees and adds to the definition of employee peace officers that are bailiffs, inspectors, and special investigators for various departments and agencies within the state. Amended and referred to Finance</p>	<p>Watch</p>

<p>SB287</p>	<p>Revises provisions relating to higher education. Adds the University of Nevada, Las Vegas and the Desert Research Institute as state land grant institutions. Changes the administration of the land grant institution to the Chancellor of the Nevada System of Higher Education instead of the University of Nevada, Reno. Does not make any changes to the appropriations to the Agricultural Extension Department or the Agricultural Experiment Station of the Public Service Division of the Nevada System of Higher Education as they exist on July 1, 2021.</p> <p><i>Amended and referred to Finance</i></p>	<p>Watch</p>
<p>SB289</p>	<p>Revises provisions relating to workers' compensation. Would allow a person who has received a lump sum related to a workers compensation claim to be able to come back to the entity for reimbursement for treatment and care of the injury relating to the lump sum award.</p> <p><i>Heard in Assembly Commerce and Labor on 5/7</i></p>	<p>Watch</p>
<p>SB292</p>	<p>Revises provisions relating to elections. Would add the options for voters during the general election to chose a political party for partisan races, if the party is a majority party. Requires an education component to let voters know about "straight ticket voting". If there is a vacancy of a US Senator, would match federal law to say the appointee from the governor be of the same political party. States that if a vacancy occurs for a representative of the US House of Representatives that a special primary election occur for determining nominees of the major parties. Requires a board of county commissioners to establish an application process to fill a vacancy within the board. Also allows for a Board of County Commissioners to reject the applicants and request the Majority or Minority Leader of the House of which the former legislator was a member who is of the same party to submit nomination. If a special election is to be held the election will be paid from the Reserve for Statutory Contingency Account unless the election is consolidated with a statewide or local election.</p> <p><i>Do Pass from Senate Finance on 5/12</i></p>	<p>Watch</p>
<p>SB294</p>	<p>Revises provisions governing collective bargaining by local government employers. Changes the process for workers compensation claims for those under collective bargaining agreements who are not police or fire to make fact findings binding and final.</p> <p><i>Amend and Do Pass from Assembly Government Affairs on 5/12</i></p>	<p>Watch</p>
<p>SB295</p>	<p>Revises provisions relating to industrial insurance. Allows for a person who has been classified as full disability to be able to get a job and earn a wage without any impact to the total disability paid out by the county.</p> <p><i>Amended and referred to Finance</i></p>	<p>Watch</p>
<p>SB311</p>	<p>Revises provisions relating to rural housing. Exempts any business or non-profit involved in the creation of a housing project from having to follow open meeting law. Expands the Rural Housing Authority's ability to create low income housing through enabling a business entity or a non-profit to work with every county in submitting the proposals, obtaining a loan, and managing the construction of an affordable housing project. Allows affordable housing to apply to more people.</p> <p><i>Do Pass from Assembly Government Affairs on 5/12</i></p>	<p>Watch</p>
<p>SB320</p>	<p>Enacts various provisions relating to food delivery service platforms. Prohibits a food delivery service platform from delivering food from a food establishment until the two parties have entered into an agreement. Establishes a process for a restaurant to be removed from a platform and a penalty if they do not comply. Requires any order for food from such a platform to include a breakdown of the costs to include but not limited to; food price, sales or other tax, delivery or service fee, gratuity to be paid to the delivery person, any commissioner related to the order.</p> <p><i>Heard in Assembly Commerce and Labor on 4/30</i></p>	<p>Watch</p>

<u>SB343</u>	<p>Revises provisions relating to education. Puts all revenue from marijuana to the school distributive including the percentages that come to counties from the state excise taxes. <i>Exempt- Referred to Finance</i></p>	Watch
<u>SB368</u>	<p>Requires the issuance of bonds for environmental improvement projects in the Lake Tahoe Basin. Requires that an issuance of not more than \$4 million of the \$100,000 million in general obligation bonds authorized in 2009 to allow for certain environmental improvement projects included in the second phase of the Tahoe Basin Environmental Improvement Program. <i>Passed Senate 20-0</i></p>	Watch
<u>SB404</u>	<p>Revises provisions governing cannabis. Gives the State Sealer of Consumer Equitability the authority to create and enforce regulations around the weighing and measuring equipment used by cannabis establishments to ensure fair trade practices. Allows the State Sealer to create an annual license fee for the certification of this equipment. Requires the Sealer to provide and regulate a minimum amount of training to all county employees who enforce this. <i>Amend and Do Pass from Assembly Natural Resources on 5/10</i></p>	Watch
<u>SCR11</u>	<p>Creates a joint special committee to conduct a study concerning innovation zones. Creates an interim committee, made up of 3 members of the assembly and 3 members of the Senate. Two of the three members will be appointed by the Majority Leader of each house and the additional members will be appointed by the Minority Leader of each house. The committee will meet at least once a month to study the impact of innovation zones on the following areas: (1) economic development and job creation (2) workforce development (3) affordable housing (4) empowerment centers (5) regional water supplies (6) natural resources and the environment (7) counties and other forms of local government (8) state and local revenues and the distribution of taxes. A report from the committee will be due to the Governor on or before December 31, 2021 which will include a recommendation of either (a) no further action should be taken (b) legislation on innovation zones should be proposed during a regular or special session of the legislature. If the committee recommends legislation a Bill Draft Request will be made available to the committee. The bill must be prefilled on or before the first day of the 82nd legislative session. <i>Heard in Senate Legislative Operations and Elections on 5/11</i></p>	Watch
Bills Removed from the List		
<u>AB1</u>	<p>Revises provisions relating to training for Legislators. Existing law requires newly elected Legislators to attend certain trainings before their first session. This would require that such training also include discussions of local governments to include the structure and authority of local governments, financial administration and services provided. <i>Approved by the Governor on 5/7</i></p>	Support
