### Budget Message - Fiscal Year 2022 Final Budget

Attached is the Washoe County Fiscal Year 2022 Final Budget. This Budget Message highlights the current state of local economic trends and outlines the new initiatives and significant changes that will reflect in Washoe County's Fiscal Year 2022 Budget.

The budget, summarized in Schedule A, is comprised of 23 Governmental Funds and 6 Proprietary Funds, with total appropriations of \$837,945,068. New this year, is the Homelessness Fund, a special revenue fund established by the Board of County Commissioners to account for the aggregate resources that support the County's programs dedicated to the provision of regional homelessness services. The combined appropriations of Governmental Funds totals \$738,909,217 and operating and other expenses in the Proprietary Funds total \$99,035,851. The table below shows a comparison of the Washoe County Budget, by fund type, for Fiscal Years 2021 and 2022.

#### **Economic Conditions**

One year ago, Washoe County, like most local governments, was facing the economic uncertainty and acute fiscal impact resulting from the worldwide COVID-19 pandemic. Accordingly, the County acted quickly and prudently by anticipating revenue losses due to the lockdown, closing of businesses, and spike in unemployment, as well as increased expenditures in response to the public health and safety needs of the community. Despite the economic slowdown, the county ended Fiscal Year 2020 with positive operating results, attributed largely to its conservative budgeting practices, and better-than-anticipated revenue collections. During Fiscal Year 2021, the County has received and deployed over \$20 million in

federal CARES Act funding through the State of Nevada, a \$6.6 million federal Emergency Rental Assistance grant, and has filed over \$7 million in claims for reimbursement of COVID-19 related regional response costs from FEMA. The County also anticipates receiving over \$90 million in federal funding under the America Rescue Plan Act over the next several fiscal years, however that funding is not included in the Fiscal Year 2022 Budget.

Washoe County is recognized as the regional economic hub in northern Nevada, and the prospects for long-term growth and improving economic diversification are positive. The pandemic's impact on the local economy has not been as significant than the impact statewide. According to the U.S. Bureau of Labor Statistics, the unemployment rate in Washoe County in March 2021 was 4.6%, as compared to the State of Nevada at 8.1% and a rate of 6.0% nationally.

### Fiscal Year 2022 General Fund Budget Highlights

The Fiscal Year 2021 General Fund Budget included reductions in appropriations for capital improvement projects and the contingency budget, a soft hiring freeze, and a new review process for major expenditures. The Direction from the Board of County Commissioners was to:

- Maintain Services (focus on priorities to support public health),
- Keep Employees Working, and
- Use Reserves Wisely

Looking ahead to Fiscal Year 2022, these tenets still hold. The General Fund is the County's largest and most comprehensive fund encompassing a wide variety of functions and programs. With a growing population in Washoe County, costs to provide County services to the community are also increasing. These costs were outpacing the County's revenue growth prior to COVID 19. In Fiscal Year 2022, a normalization in revenue growth is anticipated to cover base (existing) budget needs and combined with reallocations of existing budget will provide funding for certain enhancements. The Fiscal Year 2022 General Fund Final Budget includes a restoration of transfers-out for capital improvements, an increased contingency budget, funding for contractual personnel cost increases, certain enhancements, and a major expansion of regional homelessness services. These enhancements and program expansions must be sustainable going forward to ensure a structurally balanced budget over the long-term.

#### Sources:

General Fund total sources, which includes revenues and transfers-in, are currently estimated to total \$400,971,728, an 18.0% increase over Fiscal Year 2021. Approximately 84% of the County's General Fund revenues derive from two sources: Ad Valorem Property Tax and Consolidated Tax (C-Tax).

The County's single greatest source of General Fund revenue, property taxes, has taken well over a decade to recover from the economic downturn of the Great Recession and the impact of property tax abatement. A total of more than \$380 million of which \$311 million represents the General Fund in property tax revenue has been abated since Fiscal Year 2006. In recent years, the housing market in Washoe County has once again normalized and accelerated to meet the demand of a growing population, leading to a significant amount of new construction being placed on the property tax rolls.

1001 E. 9th Street Reno, Nevada 89512 Phone: (775) 328-2000 Fax: (775) 328-2491 www.washoecounty.us

For Fiscal Year 2022, the County is projecting total General Fund property taxes of \$203,078,752, an increase of \$11,877,322, or 6.2%, which includes the one-time non-abated taxes for new construction. The abated amount of property tax revenue, which represents property tax revenue not received by the County, for Fiscal Year 2022 totals over \$46 million for all funds and over \$38 million for the General Fund.

In the current fiscal year, through February 2021, taxable sales in Washoe County are up 9.7% over the prior year-to-date, as compared to a 4.4% decline statewide. The County's C-Tax revenues are up 9.8% over the same period last year. In Fiscal Years 2019 and 2020, the AT&T C-Tax refund impacted Washoe County in both reported taxable sales figures as well as the C-Tax monthly distributions. This refund was paid back over 18 months, from July 1, 2018 through December 31, 2019. Washoe County did see a retraction during the spring of 2020 and has seen an overall increase in C-Tax components since then. For Fiscal Year 2022, the County estimates C-Tax revenue to total \$131,687,450, an increase of 4.5% over the prior year's estimated revenue.

#### Uses:

General Fund uses, which includes expenditures, transfers-out, and contingency are budgeted to total \$436,638,743, an increase of \$81,089,076, or 22.8% in Fiscal Year 2022. As a service providing organization, the County's largest General Fund expenditure category, approximately 61%, is for personnel costs.

Since the Great Recession and the resulting budget reductions, now over a decade ago, the County has not had the financial resources to hire as many additional employees as requested by departments to meet increased demands for services and programs. Instead, the County has focused on becoming more efficient in its service delivery through technology, contracting services, organizational and process improvements. Those same strategies became crucial in continuing to operate the County and provide services to the community during the pandemic. Through remote working and increased on-line services, the County was able to make improvements in efficiency and customer service, many of which will continue even after the pandemic is over.

Personnel costs, which include expenditures for salaries and wages, employee benefits and other postemployment contributions for Fiscal Year 2022 are budgeted to total \$265,892,955, which is an increase of \$11,425,975, or 4.5% compared to Fiscal Year 2021. The Fiscal Year 2022 Final Budget includes several additional personnel resources. There is also an increase in personnel costs due to contractual cost-of-living and merit increases for existing employees. Collective bargaining agreements with all Washoe County Employee Associations were approved for July 1, 2019 through June 30, 2022. In addition, the contribution rates for the Nevada PERS pension plans will increase in Fiscal Year 2022.

For Fiscal Year 2022, services and supplies expenditures are budgeted to total \$104,692,932 which is an increase of \$43,996,553, or 72%. Of this total increase, ongoing services and supplies expenditures are budgeted to increase \$3,996,553, or 6.6%. The balance of the increase primarily reflects the impacts of legally required or Board of County Commissioner-approved contracts, including property tax settlement refund payments beginning in July 2021.

In Fiscal Year 2022, the County's capital improvement program base transfer from the General Fund is budgeted at \$7 million. As mentioned earlier, capital improvements supported by the General Fund were

not funded in Fiscal Year 2021 to provide funding for COVID-19 response costs. The contingency budget, significantly reduced last year, has been budgeted at \$11,118,000.

The Fiscal Year 2022 Final Budget reflects, total sources and uses for the General Fund balanced with an anticipated decrease in fund balance of \$35,667,015. This estimate includes the property tax settlement refund payments and additional General Fund estimated support of \$7,534,615 for new and expanded homelessness program costs to meet the needs of this population which has greatly increased due to the pandemic and growing population. The County will continue to prepare a five-year forecast of the General Fund to identify possible structural deficits based on the cumulative impact of forecasted revenues and expenditures to ensure long-term fiscal sustainability.

#### Fund Balance:

Washoe County's current policy is to maintain an unassigned General Fund balance of between 10% and 17%. Based on the Final Fiscal Year 2022 Budget, the estimated unassigned General Fund balance as of June 30, 2022, is \$71,435,484, which represents unassigned fund balance of 16.4% based on estimated expenditures and transfers out not including capital outlay. This reflects a reduction in restricted fund balance of \$23,800,000 which was restricted per the legal settlement for the County's portion of the property tax refunds, and a reduction in unassigned fund balance of \$11,867,015. The Fiscal Year 2022 Final Budget also reflects the Fiscal Year 2021 replenishment of the \$3 million Stabilization Reserve in restricted fund balance, Fiscal Year 2021 reimbursement to the Risk Management Fund of \$3 million, and other transfers for necessary Judicial and Public Safety capital projects. A summary of the Washoe County General Fund Fiscal Year 2022 Final Budget in terms of total sources and total uses, with comparisons to prior years is presented on the following page.
