Good Evening Dave,

I am pleased to provide my endorsement for the Washoe County Local Authority Plan that will be presented to the Board of County Commissioners on Monday, May 3rd. I would like to thank the Commissioners for acknowledging our desire to continue requiring social distancing standards in order to allow the region's vaccination rates to increase substantially in the weeks to come. We believe this will provide our School District with its best opportunity to keep our school's open for the remainder of this school year. We are very aware that keeping our schools open is critical to the business community and the region's economy. We further believe that following CDC social distancing guidelines is an important component in the region's plan to protect our students, staff, and our community as a whole. It is my hope that the Board of County Commissioners along with all of the endorsing agencies can work together to actively promote vaccinations, social distancing, and the continued usage of facial coverings (in accordance with Governor's Directives) so that our region can fully emerge from this dreadful pandemic as soon as possible.

With respect and gratitude,
Kristen

Kristen M. McNeill, Ed. D
Superintendent
Washoe County School District
Reno, NV 89520

DAILY REMINDER

- **Wear Face Coverings At All Times**
- **Maintain Social Distancing**
- **Wash Your Hands & Use Hand Sanitizer**
