## **Executive Summary of Fiscal Year 2025-2026 Final Budget**

Attached is the Fiscal Year 2025-2026 (Fiscal Year 2026) Washoe County Final Budget. The budget, summarized in Schedule A, is comprised of 23 Governmental Funds and six Proprietary Funds. The combined expenditures of Governmental Funds total \$793,126,160 and Proprietary Funds expenses total \$139,743,632. Neither of these figures include transfers out, contingencies or other uses; that information is provided below. This Executive Summary provides a summary of broad economic and operating assumptions and trends used in the development of the County's budget.

The Washoe County Board of County Commissioners has a clear vision and Strategic Plan with long-term goals and shorter-term initiatives and benchmarks. The Board met in January 2025 to revisit its Strategic Plan and affirmed its priority areas of focus from prior years (Serving Seniors, Mental Health, Capital Improvement Projects/Infrastructure).

However, the Board was cautioned at the January 14, 2025, meeting regarding the fiscal landscape. The reality for Fiscal Year 2026 is there will be similar challenges as in recent years, with anticipated flat C-Tax revenue growth and declining ARPA and State/Federal grants which will limit resource availability.

These challenges are compounded by expenditures continuing to significantly outpace revenues. The adopted Fiscal Year 2025 budget included a five-year General Fund forecast reflecting unsustainable structural deficits (ongoing expenditures exceeding revenues). With the finalization of the collective bargaining agreements, continued flattening of C-Tax revenue, and the recently confirmed increase in PERS rate contributions for next year, the forecast reflects unsustainable structural deficits in earlier years than previously thought.

Based on our various challenges, Fiscal Year 2026 will be a year in which the County needs to focus on *Resilience* and *Innovation*. This means there are no resources for additional personnel. Success will require the entire organization to work together to identify and implement creative and innovative solutions based on a service inventory and using technology to help us get the work done and maintain our focus on our customers. Instead of submitting above base budget requests as usual, Departments were invited to participate in the Budget Congress and discuss the top one to three non-personnel priorities. The Fiscal Year 2026 base budget was updated as in prior years to account for known impacts (i.e., central services, personnel, BCC-approved contracts, etc.).

In designing the Fiscal Year 2026 budget process, County leadership collectively embarked on a more efficient, collaborative, and strategic process to determine methods of executing the Board's vision with very finite resources. As part of that goal, the annual budget process was updated-including:

- Distributed and collated pre-Budget Congress survey responses from departments
  - o Determined needs, assets to be shared and collective challenges
- Held the first all-department collaborative Budget Congress
- Continued individual meetings with Commissioners-including additional follow-up
- Launched the Washoe County Checkbook (i.e., transparency website)
- Plan to hold a "Budget 101" session at an upcoming public Meeting
- Continued process improvement based on best practices and stakeholder feedback.

The County is starting from a *relatively* stable financial position in part due to larger than anticipated Fiscal Year 2024 investment returns and lower-than-anticipated Incline Settlement final payments (both non-recurring). Additionally, thanks to the organization's collective discipline and cooperation, we have been able to weather some significant fiscal challenges in the recent past. This includes various unplanned emergency responses (N. Valleys flooding, Davis Creek Fire, Hidden Valley flooding, etc.), the AT&T Sales Tax Refund, our COVID-19 response, the Incline Settlement payments, historically high inflationary impacts, historically high PERS contribution rate increases, implementation of classification and compensation updates (Korn Ferry), and multi-year collective bargaining agreements, etc. The impacts of these challenges were met without requiring budget reductions. This is quite an achievement, and we are grateful to all departments for their teamwork and innovation, but we still face a challenging outlook over the next five years.

The County Manager's Fiscal Year 2026 Final Budget reflects consideration of service needs and anticipated resources. It also adheres to the BCC strategic vision focus areas as well as the County's continued goals over the last several years of:

- Maintain Services
  - Make progress on Fundamental Service Review
  - Provide time for department heads/elected officials to collaborate with alternative service delivery options
- Commitment to Our Employees: Keep Employees Working
  - No layoffs/furloughs
- Use Reserves Wiselv
  - Stabilize expenditure growth to bring into alignment with revenues.
  - Stabilization will ensure sufficient working cash to pay the bills and preserve fund balance for compliance with the Board's policy and statute.

Total Fiscal Year 2026 (FY26) appropriations (expenditures/expenses, contingencies and transfers out) for 23 Governmental and 6 Proprietary funds are \$1.075 billion, see chart below. This represents a \$81.9 million, or 7%, decrease compared to the Fiscal Year 2025 (FY25) final budget. However, due to a change in the budget process, it's estimated that capital project funds will have budget appropriation increases of \$80 million – see note below chart.

## **Washoe County Budget**

Total Budget Appropriations*	Fiscal Year 2025 Final	Fiscal Year 2026 Tentative	Fiscal Year 2026 Final	\$ Change from Prior Year	% Change from Prior Year
Governmental Funds					
General Fund	522,087,064	547,515,380	549,296,292	27,209,228	5%

<sup>\*</sup>Total appropriations include expenditures, contingencies and transfers out

### Overall Revenue Trends

While the regional economy is growing, the level of growth continues to show signs of slowing. As economic growth slows, the County's revenue growth is also expected to slow, and resources will not support all needs and Fiscal Year 2026 budget requests.

Overall, FY 2026 revenues for governmental funds are estimated at \$754 million, which is an increase over FY 2025 budgeted revenues of \$747.8 million, or 0.8percent. Note that the adopted revenues of most funds do not include supplemental funding (i.e., grants, donations, etc.) or restricted funds that are carried forward from the prior year. Those estimates are included with the FY 2025 estimates-to-complete and will be finalized in FY 2026 based on FY 2025 year-end actuals and closeout.

Property taxes are the largest source of revenue across all County funds. For FY 2026, total property taxes are projected by the State Department of Taxation to increase 7.2%,

<sup>\*\*</sup>Capital Project Funds' budgets do not reflect carry forward projects from prior years FY26 budget re-appropriation is estimated at \$80 million. The budget will be re-appropriated (increased) during the year-end process and included with acceptance of the annual audit.

from \$311.8 million in FY 2025 to \$334.1 million in FY 2026. The increase above the 3.0% cap on existing residential and 8.0% on non-residential (general) in FY 2026 is mostly attributable to new development. Property tax is the largest revenue source in the General Fund, representing approximately 52% of all revenues.

One of the County's most volatile sources of revenue is Consolidated Tax (C-Tax). As it is comprised mainly of sales taxes, C-Tax is the first major source of revenue to show signs of softening as the economy slows. The County's C-Tax receipts have been slowing over the past two years. In addition, due to the modernization of technology systems at the State of Nevada Department of Taxation, we do not have the current fiscal year information on taxable sales. Further, the November 2024 distribution, received in February 2025, was approximately half of the anticipated amount. Year-to-date, C-Tax distributions are lower than compared to the prior year by \$3.6 million, or 3.4%. The County has responded by revising its Fiscal Year 2025 year-end forecast for C-Tax from the original budgeted increase of 2.5% to an estimated increase of 0.0% over the prior fiscal year. In addition, the Fiscal Year 2026 Budget assumes a 2.0% increase in Consolidated Tax (C-Tax) with gradual increases expected in the five-year forecast thereafter to a maximum of 2.75% in Fiscal Year 2030.

## Overall Expenditure/Expense Trends

Personnel is one of the County's largest costs. Fiscal Year 2026 personnel costs are budgeted to increase 6.1% compared to FY 2025 final budget. The increase is largely attributed to continuation of the FY 2024 implementation of a comprehensive classification and compensation study, but more so due to the historic FY 2026 PERS rate increases. No new positions are being recommended and General Fund salary savings of approximately three percent are budgeted.

As identified above, total appropriations (expenditures/expenses, contingencies & transfers out) are budgeted to decrease 7%, comprising of decreases of 9% in governmental funds and an increase of 4% in proprietary funds. General Fund appropriations are budgeted to increase 5%

## Material Changes between Fiscal Year 2026 Tentative and Final Budgets

There are minimal changes between the Fiscal Year 2026 Tentative and Final Budgets. Appropriations increased by \$11.5 million, or 1.2%. Material changes are outlined below:

#### General Fund

- Eight ARPA-funded positions now reflect in the General Fund with a one-time \$6M ARPA interest transfer that will provide funding in future years (i.e., "pre-funded" for ~ 5 years).
- Reallocation of \$1.3M circulation budget from Library department to centralized budget (net zero change)
- Special District Funds increased back to \$100,000 per district
- Pooled Interest increased based on anticipated cash balance(s)

www.washoecounty.gov

#### Other Funds

- The Other Restricted Revenue Fund now reflects the ARPA interest \$6M transfer to the General Fund.
- The Capital Improvement Fund now reflects additional year-end true ups as well as additional earmarked funding for potential General Government projects.

Fiscal Year 2026 continues many similar themes from Fiscal Years 2023 through 2025, including caring for the County's most vulnerable. Notable highlights for the Fiscal Year 2026 Recommended Budget, for all funds, include:

No new positions in any fund

No position reclassifications resulting in cost increases

Budgeting General Fund salary savings across all departments (~3%)

Library budget will be "flat" (i.e., no budget reductions, no above base increases).

- ➤ The remaining Library Expansion Fund balance will be spent in FY26 and additional General Fund resources of ~\$1.3 million will be funded.
- ➤ Note that the increased General Fund support is offset with reallocation of the expiring Library Expansion Fund tax.
- ➤ Library Board of Trustees and BCC to work together to provide an updated service delivery model and financial needs by October 1, 2025 for the FY 2027 budget process.

Increase General Fund transfer to Northern Nevada Public Health by \$1 million

ARPA-funded positions will be funded with ARPA interest (does not include ARPA support positions) in the General Fund. See below:

Public Defender	5.0
Juvenile Services	2.0
District Court	1.0

General Fund Transfers Out of \$85.8 million, supporting:

Indigent Fund -	\$25.2 million
Homelessness Fund -	\$21.8 million
Transfer to Capital Projects -	\$13.2 million
	Homelessness Fund -

Includes \$12.5 million base (ongoing) +

\$650,000 one-time

➤ Health District - \$10.5 million

o Includes \$1 million increase vs. FY25 transfer

➤ Roads Fund - \$6.6 million

Includes \$5 million increase (ongoing).

Debt Service Fund - \$5.0 million
 Senior Services Fund - \$3.4 million

The County's total levied property tax rate remains at \$1.3917 per \$100 of assessed valuation. This rate has been the same since Fiscal Year 2005 (22 years). The statutory maximum rate is \$3.66 per \$100 of assessed valuation. Most areas of the county are at the \$3.66 maximum due to the overlapping rates of different non-county entities (i.e., City of Reno, City of Sparks, Truckee Meadows Fire Protection District, Washoe County School District, General Improvement Districts, etc.).

### General Fund

The General Fund is the largest and primary operating fund of the County and encompasses many functions/operations such as public safety for the Sheriff, juvenile services, medical examiner, public guardian and the Public Administrator; judicial functions such as the District Court, the four justice courts in Washoe County, the District Attorney and public defense; general government and finance functions such as the Board of County Commissioners, County Clerk, County Recorder, County Treasurer, County Assessor, county manager's office, human resources, technology services, and registrar of voters; regional library services; regional parks and recreation; human (social) services; and other functions.

While the last few fiscal years' financial results provided non-recurring resources to pay for one-time needs, such as property tax refunds per a legal settlement, and needed asset maintenance and capital improvements, challenges remain. Many priorities were considered in developing the Fiscal Year 2026 Recommended Budget. These priorities included funding for existing: contractual obligations, supplies, utilities, personnel costs, and maintaining the County's assets and infrastructure needs.

#### Revenue(s)

Total FY 2026 General Fund revenues are forecasted to increase from \$511.9 million to \$538.9 million, or \$27.9 million, 5.5%, compared to FY 2025 estimates. As discussed above, the C-Tax has shown decreased growth to date in FY 2025 and it is expected to grow 2.0% in FY 2026, compared to FY 2025 estimated, to \$162 million. C-Tax represents 30% of the County's General Fund revenues. Property taxes remain by far the largest single source of revenue for the General Fund, roughly 53% of all General Fund revenues. General Fund ad valorem taxes are estimated to increase \$24.5 million, or 9.4 percent. In addition to new development, a portion of this increase is due to the reallocation of \$0.02 previously voter-approved to support Library Expansion. Another portion of the increase is attributable to the reallocation of the Debt Service rate from \$0.0100 to \$0.0057 based on the outstanding debt service payments.

#### Expenditure(s)

Total budgeted expenditures, not including contingency or transfers out, for FY 2026 are \$457 million. This is a \$19.5 million increase over FY 2025 estimated expenditures of \$437 million, or 4.5%. This also reflects an increase of \$25.5 million, or 5.9%, compared to the adopted FY 2025 budget.

Salaries and benefits remain the largest category of expenditures and total \$363.8 million, or 79.6% of expenditures not including operating transfers out. General Fund personnel expenditures are budgeted to increase \$19.2 million, or 5.6%, compared to the adopted FY 2025 budget. The increase in FY 2026 General Fund personnel expenditures reflects continuation of the FY 2024 implementation of a comprehensive classification and compensation study, the historical FY 2024 and FY 2026 PERS rate increases, finalized Collective Bargaining Agreements, and FY 2026 budgeted salary savings. Services and Supplies show an increase of \$7.4 million, or 8.7%, compared to the adopted FY 2025 budget, due almost exclusively to inflationary expenditure increases (i.e., Naphcare detention medical services, Axon body worn/fleet vehicle cameras, etc.).

Other notable Fiscal Year 2026 General Fund items have been discussed above.

#### Fund Balance

The General Fund FY 2026 ending fund balance is budgeted at \$138.8 million, or 25.6% of total expenditures and transfers out. However, after accounting for the General Fund stabilization reserve of \$4 million, and other restrictions and commitments, the actual unassigned ending fund balance is estimated to be \$129 million, or 23.8% of General Fund expenditures and transfers out. The current Board policy is to maintain an unassigned General Fund balance of 10% to 17 percent.

The Fiscal Year 2026 Final Budget reflects total sources and uses for the General Fund balanced with an anticipated decrease in fund balance of \$2.5 million. The largest portion of this reduction is due to the contingency budget of \$6.8 million based on multiple unknown impacts, including the 2025 Legislative Session. Note that the variance between the FY 2026 Tentative Budget decrease in fund balance of \$8.3 million and the FY 2026 Final Budget decrease in fund balance of \$2.5 million is almost entirely due to the one-time transfer of \$6 million of ARPA interest into the General Fund from the Other Restricted Revenue Fund. The County will continue to prepare and monitor a five-year forecast of the General Fund to identify possible structural deficits based on the cumulative impact of forecasted revenues and expenditures to ensure long-term fiscal sustainability.

Please see the General Fund Fiscal Year 2026 Final Budget, Sources and Uses, on the following page.

www.washoecounty.gov

<sup>\*</sup>as % of Expense & Transfers less Capital

## **Proprietary Funds**

Proprietary funds for Washoe County consist of three enterprise funds (Building and Safety, Golf Course, and the Utilities Fund) and three internal service funds (Equipment Services, Health Benefits and Risk Management). Overall, operating revenues for proprietary funds total \$133.9 million, while operating expenses and transfers total \$139.3 million. The reason for the variance of revenues to expenses is due to the net impact of planned FY 2026 expenses in the Health Benefits, Risk Management, and Building & Safety Funds offset with net income in the Utilities and Equipment Services Funds.

### Conclusion

Washoe County will continue to maintain strong and healthy fund balances for FY 2026 and is committed to providing quality customer service for its residents. The County successfully managed the debt portfolio and received an upgrade to AA+/Stable from S&P Global in April 2023. The Final Fiscal Year 2025-2026 budget reflects a reasonable but conservative approach to balance future needs while continuing to be fiscally responsible.

Abigail Yacoben

Chief Financial Officer

Auguil OGeraben.
