Member Nicolet shared that the Washoe County School District would be bringing forth authorization for a new rollover bond at either the May or August meeting of the Debt Management Commission.

Chair Duerr announced that the City of Reno would be proposing a request to authorize \$60 million in debt, and Chair Duerr was asked to share a few potential dates for a special meeting. The City of Reno did not want to wait until the May meeting due to the lengthy process. The following dates and times were proposed for a special meeting of the Debt Management Commission: March 11, 2022, from 1:00 to 3:00 p.m.; March 18, 2022, 1:00 to 3:00 p.m.; and March 21, 2022, any time between 1:00 to 5:00 p.m. The City of Reno would present the proposal along with their attorneys and their financial advisors. County Clerk, Jan Galassini, stated the commission members would be polled to select the best date and time for the meeting. A preliminary poll was conducted of the members present, and March 11, 2022, was identified as the best date for the meeting. It was noted that a supermajority of five commission members would need to be present at the special meeting for action to be taken on the bond item.
