Regarding John W. Briscoe Recommendation

Dear Washoe County Board of Commissioners:

I have known John W. Briscoe for many years when he lived in my district in Orange County. John served as an appointee of mine to the Property Tax Appeals Board. John is a CPA by trade and served the taxpayers of Orange County well. . .

In Orange County, California the Property Tax Appeals Board is the equivalent of the Board of Equalization in Washoe County Nevada. John served on the Orange County Board from 1998 until he departed California in 2019.

I knew when I re-appointed John Briscoe twice to this board that I could count on him to render fair decisions based on the law. In addition, I never had to apologize for anything Mr. Briscoe did or said in his duties on that board. In fact, in the 21 years Mr. Briscoe served there was not one single complaint regarding his actions as a member of the board.

I believe that the Washoe County Board of Commissioners would be making a wise decision if they chose to appoint Mr. Briscoe to their Board of Equalization.

I strongly urge the Washoe County Board or Commissioners to choose John W. Briscoe for the County Board of Equalization.

Sincerely,

A handwritten signature in black ink, appearing to read "Andrew Do", with a long horizontal flourish extending to the right.

I have served on the Debt Management Commission since 2009. I served as the Vice-Chairperson in 2011/2012, and as the Chairperson in 2012/2013.

I am a Certified Public Accountant, and I earned my certification in 2004. I specialize in forensic accounting and business valuation, which I believe provides skills which are useful to the at-large position of the Debt Management Commission.

I would love to serve another term.
