

ORDINANCE NO. 7

AN ORDINANCE ESTABLISHING A SEWAGE DISTRICT WITHIN THE UNINCORPORATED AREA OF WASHOE COUNTY, NEVADA; CREATING AND ESTABLISHING THE BOUNDARIES OF SUCH DISTRICT; AND AUTHORIZING THE EMPLOYMENT OF SUCH ENGINEERING, LEGAL AND OTHER SERVICES AS ARE NECESSARY TO OBTAIN A COMPREHENSIVE SCHEME AND PLAN FOR THE SEWER SYSTEM TO BE INSTALLED IN SAID DISTRICT.

THE BOARD OF COUNTY COMMISSIONERS OF WASHOE COUNTY DO ORDAIN:

Section 1. Purpose and authority. It appearing to this Board that the public health and sanitation of Washoe County would be promoted by the establishment of a sewage district within the boundaries of the property situated in Washoe County, Nevada and hereinafter particularly described, there is hereby established a sewage district which includes the following described property, to-wit:

All that area of land situate in the County of Washoe, State of Nevada, and more particularly described as follows:

BEGIN at the point of intersection of the centerlines of Kietzke Lane and Glendale Road, (sometimes known as Glendale Avenue), the true point of beginning; thence easterly along the centerline of Glendale Road (sometimes known as Glendale Avenue), to its intersection with the centerline of Stanford Way, Boyton Lane and Longley Lane to its intersection with the centerline of the Reno-Carson State Highway; thence westerly along the approximate location of the East-West 1/4 line of Section 6, T. 18 N., R. 20 E., to the centerline of Huffaker Lane to its intersection with the west section line of Section 1, T. 18 N., R. 19 E.; thence northerly along the west section lines of Section 1, T. 18 N., R. 19 E. and Sections 36 and 25, T. 19 N., R. 19 E. to the SE corner of the NE 1/4 of the NE 1/4 of Section 26, T. 19 N., R. 19 E; thence westerly along the 1/16 line of said Section 26 to the SW corner of the NE 1/4 of the NW 1/4; thence northerly along the 1/16 line to its intersection with the north section line of said section 26; thence easterly along the north section line of said section 26 to its intersection with the centerline of Plumas Street; thence northerly along the centerline of Plumas Street to its intersection with the centerline of Mountain View Drive, the south limits of the City of Reno; thence easterly and northerly along the southerly and easterly limits of the City of Reno to the true point of beginning, containing approximately 8300 acres.

This District is created pursuant to the provisions of Chapter 138, Laws of Nevada, 1947, hereinafter referred to as the Sewage District Act, and all acts amendatory thereof or supplementary thereto.

[Book "Q", p. 236 (9-5-1947)]

Section 2. Definitions. Whenever the words "sewage district" are used in this ordinance, they shall refer to and include sewers, sewage disposal plants, sewage treatment plants and septic tanks, and any and all other materials or construction connected with the handling or disposal of sewage. Whenever the words "sanitary board" shall be used in this ordinance, they shall refer to the board of county

commissioners of any county within this state. Whenever the words "sanitary assessor" are used in this ordinance, they shall refer to the assessor of any county within this state. Whenever the words "ex officio clerk of the sanitary board" shall be used in this ordinance, they shall refer to the Clerk of the Board of County Commissioners of any county within the state. Whenever the words "water district" shall be used in this ordinance, they shall refer to and include all types of material and construction necessary for the creation and maintenance of a water supply for domestic use, fire fighting and any and all other related purposes. Whenever the words "garbage disposal district" are used in this ordinance, they shall refer to any and all methods of disposing of garbage and refuse, including the collection and burning or otherwise disposing of all types of garbage and refuse.

[Book "Q" , p. 236 (9-5-1947)]

Section 3. Preparation of plan for sewage disposal. The County Engineer is hereby authorized and directed to make a thorough and complete examination and investigation of the property situated in said District as hereinbefore described, to prepare a comprehensive scheme and plan which in his opinion will be best suited for the sewage requirements of said District, and to submit said comprehensive scheme or plan with his approval endorsed thereon in writing to the State Board of Health and when approved by the State Board of Health to submit said plan to this Board, together with an estimate of the cost of installing sewers in accordance with said plan. In this connection, said County Engineer is hereby authorized to employ such engineering, legal or other services as in his discretion are necessary to carry out the object and purpose of the Sewage District Act, provided such expenditure shall not exceed the sum of \$18,650.00.
