Section 8. That when said bonds have been duly executed, the Treasurer of the County of Washoe shall deliver them to the First National Bank of Nevada, the lawful purchaser thereof, on receipt of the agreed purchase price. The funds realized from the sale of said bonds shall be placed in a special fund in the treasury of Washoe County to be known as the "Washoe County Juvenile Detention Home Fund," and shall be applied solely to so acquiring such juvenile detention home facilities in the County. After said purpose is effected or adequate provision therefor is made, any remaining bond proceeds shall be deposited in the Bond Fund, hereinafter created by Section 9 of this ordinance, for the payment of the principal of or interest on the bonds, or both; and any accrued interest on any of the bonds paid by any purchaser at the time of their delivery and the premium paid therefor shall be used for the payment of interest on the

bonds and shall be deposited in the Bond Fund therefor. The purchasers of said bonds, however, shall in no manner be responsible for the application or disposal by said County, or by any of its officers, of any of the funds derived from the sale thereof.

Section 9. That the interest and principal falling due on said bonds on the first days of June and December, 1961, shall be paid out of the general fund of the County or any other funds that may be available for such purpose; and for the purpose of reimbursing said fund or funds and of creating a special fund for the payment of said bonds and the interest thereon, designated as the "Washoe County, Nevada, General Obligation Juvenile Detention Home Bonds, Series December 1, 1960, Interest and Bond Retirement Fund," herein sometimes designated the Bond Fund, there shall be levied in the year 1961, and annually thereafter, a tax on all property, both real and personal, subject to taxation within the boundaries of the County of Washoe, including the net proceeds of mines, sufficient to reimburse said fund or funds for said installments of interest and principal and to pay the interest on said bonds and to pay and retire the same as hereinabove provided, without regard to any statutory tax limitations now or hereafter existing, and after there is made due allowances for probable delinquencies; and provided, further, that in the preparation of the annual budget for the County, the Board of County Commissioners shall first make proper provisions through the levy of sufficient taxes for the payment of the interest on and the retirement of the principal of the bonded indebtedness of the County, including but not limited to the bonds of the series hereby authorized to be issued, subject to the limitation imposed by Section 2 of Article X of the Constitution of the State of Nevada; and the amount of money necessary for this purpose shall be a first charge against all the revenues received by said County. In any year in which the total taxes levied against the property in the County by all overlapping units therein may exceed the limitation of five cents on the dollar imposed by Section 2 of Article X of the Constitution of the State of Nevada, and it shall become necessary by reason thereof to reduce the levies made by any or all such units, the reductions so made shall be in taxes levied by such unit or units for purposes other than the payment of their bonded indebtedness, and the taxes levied for the payment of such bonded indebtedness shall always enjoy a priority over taxes levied by each such unit for all other purposes where reduction is necessary in order to comply with the limitations of said Section 2 of Article X. Nothing herein contained shall be so construed as to prevent the County from applying any other funds that may be in the treasury of the County and available for that purpose, to the payment of the interest on or principal of the bonds hereby authorized as the same, respectively, mature, and the levy or levies provided for may thereupon to that extent be diminished. Such tax shall be levied and collected in the same manner and at the same time as other taxes are levied and collected, and the proceeds thereof for the bonds herein authorized shall be kept by the County Treasurer in the Bond Fund, which shall be used for no other purpose than the payment of principal and interest as the same falls due. Such taxes shall be levied in the year 1961 and annually thereafter until all of said bonds and the interest thereon shall have been fully paid, satisfied and discharged. Any sums coming due on said bonds at any time when there are on hand from such tax levy or levies insufficient funds to pay the same, shall be promptly paid when due from general funds on hand belonging to the County, reimbursement to be made for such general funds in the amounts so advanced when the taxes herein provided for have been collected.

Section 10. That it shall be the duty of the Board of County Commissioners of the County of Washoe and of such other body, if any, as may be charged with the duty of levying taxes in the County, annually, at the time and in the manner provided by law for levying other county taxes, if such action shall be necessary to effectuate the provisions of this ordinance, to

ratify and carry out the provisions hereof with reference to the levy and collection of taxes, and said Board or other such body shall require the officers of said County to levy, extend and collect such taxes in the manner provided by law for the purpose of creating a fund for the payment of the principal of said bonds and the interest accruing thereon. Such taxes, when collected, shall be kept for and applied only to the payment of the principal of and the interest on said bonds as hereinbefore specified.

Section 11. That pursuant to Section 7 of Chapter 464, the bonds issued hereunder, their transfer, and the income therefrom, shall forever be and remain free and exempt from taxation by the State of Nevada or any subdivision thereof.

Section 12. That whenever the County Treasurer shall redeem and pay any of the bonds issued under the provisions of said act, he shall cancel the same by writing across the face thereof or stamping thereon the word "Paid", together with the date of its payment, sign his name thereto, and transmit the same to the County Auditor, taking his receipt therefor, which receipt shall be filed with the Clerk of the Board of County Commissioners. The Auditor shall credit the Treasurer on his books for the amount so paid.

Section 13. That no interest shall accrue on any bond herein authorized after it becomes due and payable, provided funds for the payment of the principal of and interest on the bond are available to the paying agent for such payment without default.

Section 14. That the provisions of said act and of this ordinance shall be a part of the irrevocable contract between the County and the holder or holders from time to time of bonds issued hereunder; and after the issuance of any of the bonds hereby authorized, no change, variation or alteration of any kind in the provisions of said act or this ordinance shall be made in any manner, without the consent of all the holders of bonds then outstanding, until such time as all the bonds issued hereunder and the interest accruing thereon shall have been paid in full.

Section 15. That the officers of the County be, and they hereby are, authorized and directed to take all action necessary or appropriate to effectuate the provisions of this ordinance, including, without limiting the generality of the foregoing, the printing of said bonds, including thereon a certified true copy of bond counsel's approving opinion, the execution of such certificates as may be required by the purchasers thereof relating to the signing of the bonds, the tenure and indentity of the County officials, the assessed valuation and indebtedness of the County, the rate of taxes levied against the taxable property within the County, the delivery of the bonds and the receipt of the bond purchase price, and the absence of litigation, pending or threatened, affecting the validity thereof.

Section 16. That all by-laws, orders, resolutions, and ordinances, or parts of by-laws, orders, resolutions, and ordinances, in conflict with this ordinance, are hereby repealed. This repealer shall not be construed to revive any by-law, order, resolution or ordinance, or part thereof heretofore repealed.

Section 17. That if any one or more sections, sentences, clauses or parts of this ordinance shall for any reason be questioned or held invalid, such judgment shall not effect, impair or invalidate the remaining provisions hereof, but shall be confined in its operation to the specific sections, sentences, clauses or parts of this ordinance so held invalid.

Section 18. That the Board of County Commissioners has expressed in the preamble to this ordinance the existence of an emergency, and does hereby find and declare that an emergency does exist, and, consequently, final action shall be taken immediately and this ordinance shall be in effect from and after its publication as hereinafter provided, and that after this ordinance is signed by the Chairman of said Board and attested and sealed by said County Clerk,

this ordinance shall be published by title only, together with the names of the Commissioners voting for or against its passage, and with a statement that typewritten copies of said ordinance are available for inspection by all interested parties at the office of said County Clerk, in Nevada State Journal, a newspaper published and having general circulation in said County, at least once a week for a period of two weeks by two insertions, pursuant to Section 244.100, Nevada Revised Statutes, and all laws thereunto enabling, such publication to be in substantially the following form:
