Summary: Amends the Washoe County Code at Chapter 110 (Development Code) to change the required number of van accessible handicapped parking spaces from one per eight handicapped parking spaces to one per six handicapped parking spaces.

BILL NO. 1811

ORDINANCE NO. 1624

Title:

An Ordinance amending the Washoe County Code at Chapter 110 (Development Code) to change the number of van accessible handicapped parking spaces required in accordance with Washoe County Code Table 110.410.15.1 from one per eight handicapped parking spaces to one per six handicapped parking spaces for any parking facility serving the public; and, to address other matters necessarily connected therewith and pertaining thereto.

WHEREAS:

- A. The number of required van accessible handicapped parking spaces as prescribed in Washoe County Code Chapter 110 does not match the number of spaces as regulated in the 2012 International Building Code as adopted by Washoe County within Washoe County Code Chapter 100; and,
- B. Washoe County Code Section 110.818.60 provides a method to amend the Code by technical revision in order to conform with actions taken by another County agency, in this case the adoption of standards for the number of required van accessible handicapped parking spaces; and,
- C. The Director of the Planning and Building Division of the Washoe County Community Services Department initiated the proposed amendments on August 31, 2018 following the provisions of Washoe County Code Section 110.818.60(c)(1); and,
- D. The amendments and this Ordinance were drafted in concert with the District Attorney; and,

E. Following a first reading and publication as required by NRS 244.100(1), and after a duly noticed public hearing, this Board desires to adopt this Ordinance; and,

F. This Commission has determined that this ordinance is being adopted pursuant to requirements set forth in Chapter 278 of NRS, therefore it is not a "rule" as defined in NRS 237.060 requiring a business impact statement.
