

WASHOE COUNTY DIRECT CHARGE AGREEMENT

This agreement allows Washoe County Treasurer to process, as a direct charge to your bank account, the monthly payment of your utility bill. This payment will be made by way of electronic fund transfer or through the Automated Clearing House (ACH) network used by banks. Transfer of funds will start within 30 to 60 days of receipt of this signed form by Washoe County. You will know when the signed form has been processed by Washoe County (and the new payment method is taking effect) when your utility bill is printed with **"DO NOT PAY"**. This indicates that your account is now paid via electronic means. The electronic payment for all future invoices will be made approximately 13 days following the date of your utility bill.
