

Request a Pre-Development/Post-Development Meeting for your Project

Pre-Development and Post-Development meetings are a free service provided by the Community Services Department for developers, design professionals, owner-builders, and contractors that would like to address permit issues relating to their projects prior to permit submission. We provide a roundtable discussion with staff representing Planning, Building, Engineering, Fire, Health, Parks, Utilities, RTC, and Air Quality.

Meetings are held twice a month on the 2nd and 4th Wednesday @ 1p.m. in the Washoe County Complex, Building A, 2nd floor, Mount Rose Conference room.

For Pre-Development meetings, please fill out the 1 page questionnaire, below, and attach supplemental items (ie: maps, site plans).

For Post-Development meetings, please fill out the 1 page questionnaire and indicate any meeting dates and case numbers associated with the project so that we may better assist you.

Return questionnaire to Chris Bronczyk via email, fax, or in-person. For questions please contact:
