Division of Land into Large Parcels

Washoe County Code (WCC) Chapter 110, Article 612, Division of Land into Large Parcels, prescribes rules and procedures for the regulation and approval of tentative and final maps for the division of land into large parcels. See WCC 110.612, for further information.

A tentative subdivision map shall be required for all requests for a subdivision, merger and re-subdivision of existing lots, or a common-interest community consisting of five (5) or more units, as defined in Article 902, Definitions, except for divisions of land into large parcels as defined in Article 612, Divisions of Land into Large Parcels, and except for the creation of a lot or parcel for agriculture purposes that complies with Section 110.602.15.

Development Application Submittal Requirements

Applications are accepted on the 8th of each month. If the 8th falls on a non-business day, applications will be accepted on the next business day.

If you are submitting your application online, you may do so at OneNV.us

---

1. **Fees:** See Master Fee Schedule. **Most payments can be made directly through the OneNV.us portal.** If you would like to pay by check, please make the check payable to Washoe County and bring your application and payment to the Community Services Department (CSD). There may also be a fee due to Engineering and Capital Projects for Technical Plan Check.
2. **Development Application:** A completed Washoe County Development Application form.
3. **Owner Affidavit:** The Owner Affidavit must be signed and notarized by all owners of the property subject to the application request.
4. **Proof of Property Tax Payment:** The applicant must provide a written statement from the Washoe County Treasurer's Office indicating all property taxes for the current quarter of the fiscal year on the land have been paid.
5. **Application Materials:** The completed Division of Land into Large Parcels Application materials.
6. **Title Report:** A preliminary title report, with an effective date of no more than one hundred twenty (120) days of the submittal date, by a title company which provides the following information:
   - Name and address of property owners.
   - Legal description of property.
   - Description of all easements and/or deed restrictions.
   - Description of all liens against property.
   - Any covenants, conditions and restrictions (CC&Rs) that apply.
7. **Development Plan Specifications:**
   a. Map to be drawn using engineering scales (e.g. scale 1" = 100', 1" = 200', or 1" = 500') showing all streets and ingress/egress to the property.
   b. Property boundary lines, distances and bearings.
   c. Contours at five (5) foot intervals or two (2) foot intervals where, in the opinion of the County Engineer, topography is a major factor in the development.
   d. Indication of prominent landmarks, areas of unique natural beauty, rock outcroppings, vistas and natural foliage which will be deciding considerations in the design of the development.

e. The cross sections of all right-of-ways, streets, alleys or private access ways within the proposed development, proposed name and approximate grade of each, and approximate radius of all curves and diameter of each cul-de-sac.

f. The width and approximate location of all existing or proposed easements, whether public or private, for roads, drainage, sewers, irrigation, or public utility purposes.

g. If any portion of the land within the boundary of the development is subject to inundation or storm water overflow, as shown on the adopted Federal Emergency Management Agency's Flood Boundary and Floodway Maps, that fact and the land so affected shall be clearly shown on the map by a prominent note on each sheet, as well as width and direction of flow of each water course within the boundaries of the development.

h. The location and outline, to scale, of each existing building or structure that is not to be moved in the development.

i. Existing roads, trails, or rights-of-way within the development shall be designated on the map. Topography and existing developments within three hundred (300) feet must also be shown on the map.

j. Vicinity map showing the proposed development in relation to the surrounding area.

k. Date, north arrow, scale, and number of each sheet in relation to the total number of sheets.

l. Location of snow storage areas sufficient to handle snow removed from public and private streets, if applicable.

m. All known areas of potential hazard including, but not limited to, earth slide areas, avalanche areas or otherwise hazardous slopes, shall be clearly designated on the map. Additionally, active fault lines (post-Holocene) shall be delineated on the map.

n. Boundary of any wetland areas within the project site.

o. Note by the project engineer or design professional indicating compliance with all applicable provisions of the Washoe County Development Code.

8. **Street Names:** A completed "Request to Reserve New Street Name" form (included in application packet). Please print all street names on the tentative map. Note whether they are existing or proposed.

9. **Submission Packets:** One (1) packet and a flash drive. Any digital documents need to have a resolution of 300 dpi. If materials are unreadable, you will be asked to provide a higher quality copy. The packet shall include one (1) 8.5" x 11" reduction of any applicable site plan, development plan, and/or application map. Labeling on these reproductions should be no smaller than 8 point on the 8.5" x 11" display. Large format sheets should be included in a slide pocket(s). Any specialized reports identified above shall be included as attachments or appendices and be annotated as such.

Notes:

(i) Application and map submittals must comply with all specific criteria as established in the Washoe County Development Code and/or the Nevada Revised Statutes.

(ii) Appropriate map engineering and building architectural scales are subject to the approval of the Planning and Building and/or Engineering and Capital Projects.

(iii) All oversized maps and plans must be folded to a 9" x 12" size.

(iv) Based on the specific nature of the development request, Washoe County reserves the right to specify additional submittal packets, additional information and/or specialized studies that clarify the potential impacts and potential conditions of development in order to minimize or mitigate impacts resulting from the project. No application shall be processed until the information necessary to review and evaluate the proposed project is deemed complete by the Director of Planning and Building.

(v) The Title Report should only be included in the one (1) original packet.
