Administrative Review Permit

Washoe County Code (WCC) Chapter 110, Article 809 Administrative Review Permits authorizes and specifies procedures for the Administrative Review process. This provides a method for reviewing proposed uses identified in Article 302 which have the potential to adversely impact other land uses, transportation or services and facilities in the vicinity. The Director of the Planning and Building Division, or their designee, shall review the application request for compliance with the Development Code taking into consideration any testimony offered by affected property owners and the applicant. The Director, or their designee, may approve, approve with conditions, modify, modify with conditions, or deny the request. See WCC 110.809, for further information.

Development Application Submittal Requirements

Applications are accepted on the 8th of each month. If the 8th falls on a non-business day, applications will be accepted on the next business day. Applications are accepted in person or online.

If you are submitting your application online, you may do so at OneNV.us

1. **Fees:** See Master Fee Schedule. **Most payments can be made directly through the OneNV.us portal.** If you would like to pay by check, please make the check payable to Washoe County and bring your application and payment to the Community Services Department (CSD).
2. **Development Application:** A completed Washoe County Development Application form and all supplemental questions.
3. **Owner Affidavit:** The Owner Affidavit must be signed and notarized by all owners of the property subject to the application request.
4. **Proof of Property Tax Payment:** The applicant must provide a written statement from the Washoe County Treasurer's Office indicating all property taxes for the current quarter of the fiscal year on the land have been paid.
5. **Application Materials:** The completed Administrative Review Permit Application materials.
6. **Site Plan Specifications:**
 - a. Lot size with dimensions drawn using standard engineering scales (e.g. scale 1" = 100', 1" = 200', or 1" = 500') showing all streets and ingress/egress to the property.
 - b. Show the location and configuration of all proposed buildings (with distances from the property lines and from each other), all existing buildings that will remain (with distances from the property lines and from each other), all existing buildings that will be removed, and site improvements on a base map with topography expressed in intervals of no more than five (5) feet IF there is a difference in elevation of the two dwellings of five (5) feet or more
 - c. Show all required yard setbacks, location and configuration of wells and well house, septic systems and leach fields, overhead utilities, water and sewer lines, and all easements.
 - d. Date, north arrow, scale and number of each sheet in relation to the total number of sheets, and the name of person preparing the plans.
7. **Building Elevations:** Elevations of the main dwelling unit and the detached accessory dwelling, existing or proposed for construction, shall be clearly depicted in vertical architectural drawings provided in accurate architectural scale. All architectural elevations from all building faces shall be presented. Photographs of existing buildings (all sides) may be submitted in place of elevations of existing building.

8. **Floor Plans:** Floor plans to scale with all rooms and spaces labeled for both the main dwelling unit and the detached accessory dwelling.
9. **Submission Packets:** One (1) packet and a flash drive. Any digital documents need to have a resolution of 300 dpi. If materials are unreadable, you will be asked to provide a higher quality copy. The packet shall include one (1) 8.5" x 11" reduction of any applicable site plan, development plan, and/or application map. Labeling on these reproductions should be no smaller than 8 point on the 8.5" x 11" display. Large format sheets should be included in a slide pocket(s). Any specialized reports identified above shall be included as attachments or appendices and be annotated as such.

Notes:

- (i) Application and map submittals must comply with all specific criteria as established in the Washoe County Development Code and/or the Nevada Revised Statutes.
- (ii) Based on the specific nature of the development request, Washoe County reserves the right to specify additional submittal packets, additional information and/or specialized studies that clarify the potential impacts and potential conditions of development in order to minimize or mitigate impacts resulting from the project. No application shall be processed until the information necessary to review and evaluate the proposed project is deemed complete by the Director of Planning and Building.
- (iii) **Labels:** If the assigned planner determines the abandonment will affect the access to a mobile home park, the applicant will be required to submit a list of mailing addresses for every tenant residing in the mobile home park.
- (iv) Please be advised that the Washoe County Director of the Planning and Building Division or their designee has the ability to determine if the application is incomplete if it cannot be ascertained what the applicant is requesting, or if there is insufficient information to determine a favorable outcome.
