

improvements are properly related to existing and proposed roadways, and an adequate public facilities determination has been made in accordance with Division Seven;

- (c) Site Suitability. That the site is physically suitable for major grading, and for the intensity of such a development;
- (d) Issuance Not Detrimental. That issuance of the permit will not be significantly detrimental to the public health, safety or welfare; injurious to the property or improvements of adjacent properties; or detrimental to the character of the surrounding area;
- (e) Effect on a Military Installation. Issuance of the permit will not have a detrimental effect on the location, purpose or mission of the military installation.

SV.2.16 The approval of all Special Use Permits and administrative permits must include a finding that the community character as described in the character statement can be adequately conserved through mitigation of any identified potential negative impacts.

SV.18.3 The granting of special use permits in the South Valleys planning area must be accompanied by a finding that no significant degradation of air quality will occur as a result of the permit. As necessary, conditions may be placed on special use permits to ensure no significant degradation of air quality will occur. The Department of Community Development will seek the advice and input of the Air Quality Division of the Department of Health in the implementation of this policy.
