Hi this is Gary Schmidt and I have a Zoom hearing scheduled for a week from tomorrow. I believe that's the 16th Friday, 16th. And I'd like to speak to someone about it. I have few issues I would like to request in person hearing not a Zoom hearing, and I'd like to make a public records request for any documentation that says that I'm obligated to to participate in a Zoom hearing versus an in-person hearing.

00:00:43:06 - 00:01:09:03

Unknown

I don't have zoom capacities and I know arrangements have been made for me to be down at the courthouse and I got to set me up with it. But ear, regardless of that, I object to a Zoom hearing, I think I'm entitled to face my accuser under the United States Constitution. Right? If there's state statute or county ordinances to the contrary, I'd like copies of that.

00:01:09:03 - 00:01:47:02

Unknown

But I'm requesting an in-person hearing and I need information as to the process. I'd like to call witnesses. I want to be able to question the code enforcement officer. I have at least 50 exhibits to submit. So I think, one, hour schedule for the hearing is not adequate at all. At least 2 hours, perhaps 3 hours. I also have public records requests which have not been provided that have not been fulfilled yet or provided me.

00:01:47:04 - 00:02:14:01

Unknown

So that may be an issue of timing for the hearing. I need to respond to a public records request before I can effectively proceed. So that may be a I may be asking for a continuance until the county provides me all the public records I requested. So there's a lot of issues of some it could give me a call back.

00:02:14:03 - 00:02:44:18

This number was listed in a message that was left for me, and I'm calling number one. I want an in-person hearing for documentation that would convince me that I'm not entitled to that and that I'm objecting to only an hour being scheduled for that area. And I may be requesting a continuance based upon the failure of the county to provide public records of requests.

00:02:44:20 - 00:03:34:08

Again, my name is Gary Schmidt and the if I can pull the hearing number up real quick here, if it's in the don't have it right in front of me, but it's not here, but it's scheduled for February 16th at 10 a.m. Someone please get back to me as soon as possible. Thank you. And please transcribe this recording and provide this under NRS chapter 239 public records.

00:03:34:13 - 00:03:43:06

Provide me a copy of this message that I have left on the phone. Thank.

This is Gary Schmidt, I have a hearing coming up on Friday and I will speak to a hearing office administrator. I guess I have a couple of questions about the process and I need to maybe have a call back because I'm in the process of trying to file my exhibit and there's a timeline involved. Thank you. And as Gary Schmidt, I guess the hearing number would be for the general question.

00:04:22:07 - 00:04:30:11

Unknown

So I guess you don't need to hear in number don't have from. Thank you.

00:04:30:11 - 00:04:54:05

But all this Gary Schmidt, I called earlier this morning. I need someone to give me a return call. I'm trying to prepare my exhibit packet for a hearing. That's on Friday. I need to submit it today, and I'm an hour away from town, so there's this kind of time critical. I have some questions. If given this number to call.

00:04:54:05 - 00:05:19:00

Unknown

If I have any questions, I need to speak to someone. This is my second call, please.

Also, I'd like to make a public records request of the transcript of this call and my previous call this morning so I can document I made efforts here to contact the Administrative hearing officer, but a hearing is scheduled for Friday. My name is Gary Schmidt.

00:05:19:02 - 00:05:24:03

My number 775-622-4670. Thank you.

00:05:24:03 - 00:05:50:10

Yes. This is our Gary Schmidt I'm trying to find here in the building at number one, Sara Street, trying to find the administrator here in office. This is this is my third call today, trying to get some information. I need directions. Nobody here seems to know where the administrative hearing offices in this building. Please. This is a public records request for a copy of this message.

00:05:50:10 - 00:06:00:06

And my other two messages today. And this is Gary Schmidt at seven seven, five, six, two, two, four, six, seven, all.

00:06:00:06 - 00:06:47:03

This is Gary Schmidt about the tenth or twelfth message I've left. Never got a return call. Have a hearing scheduled for 10:00 tomorrow. It's W.V. 10830127. And again, I would like assurance that Bryan Farmer, Chad Giesinger and Kelly Mullen, all employees of the county, would be available for me to call as hospital witnesses. I've attempted for over a week to find out how I have to subpoena people if I have to subpoena them.

00:06:47:05 - 00:07:23:00

Unknown

But it's essential that those three people be there. They're all involved in the case in any event. But I want assurances that they're all going to be available for me to call as witnesses. I have filed five motions for three motions for dismissal of one motion for continuance. So in the last day. So also, thank you. And I know I'll never get a return call.

00:07:23:02 - 00:07:30:19

I would like to make a public records request for audio copy of this message. Thank you.
