To: Washoe County Planning Commission. My Name is Jim Linscott, I am a landowner in the Rainbow Road Sunseeker Solar Development. I want to let the record show that I am in support of this project. (WSUP25-0006).. This is the highest and best use for the land in this area. Due to these improvements, I believe that Washoe County will benefit greatly from increasing the tax base in this area as well. Thank-You -- Jim Linscott, Reno

To: Washoe County Planning Commission

As the owner of the Praana Transmission Line (WSUP23-0003), I highly recommend approval of the Special Use Permit (WSUP25-0006) OR Sunseeker Solar Project.

The addition of the power project for Sunseeker Solar (WSUP25-0006) will greatly enhance bringing more needed power to Washoe County through Nevada Energy.

WSUP25-0006 will enhance the current projects such as WSUP23-0003 and more fully utilize energy transmission into Washoe County giving Washoe County residents more reliable energy and help fulfil the future energy needs of Washoe County.

We appreciate the work that the Washoe County Planning Commission does for the residents of Washoe County.

Thank you,

Dr. Hooper
