New Business

Myers Avenue Change to Meyers Avenue

Request for approval of change of spelling of Myers Avenue (off Heindel Road) as recorded on survey map (S138 & S4009), to Meyers Avenue, as assigned in the Assessor's parcel and in the USPS Address database and used by Waste Management. Residents already use Meyers Avenue as address.

Motion to approve the name change made by Randy Baxley, second by Teresa Parkhurst. Carried.

Meyers Avenue – Hoge Road

Request approval to send letter to property owner notifying that the RSNC is considering renaming Meyers Avenue (off Hoge Road) to Hoge Road.

Randy Baxley previously raised concerns that the two Meyers Avenues (off Heindel Road and off Hoge Road) are causing problems with regard to the school district, zoning and may result in dispatching emergency services to the incorrect Meyers address.

Motion to send letter to property owner to start process of renaming Meyers Avenue (off Hoge Road) to Hoge Road made by Dave Erickson, second by Randy Baxley. Carried.

Process for appealing certain RSNC Decisions to BCC.

Consider instituting process for appealing certain Regional Street Naming Committee decisions to the Board of County Commissioners, including the types of decisions that are or will be appealable and how to appeal such decisions. Committee also needs to confirm number of days to appeal RSNC decisions.

It was thought that the Appeal Process is addressed in the RSNC Interlocal Agreement. Teresa and/or Jon will locate the Interlocal Agreement and a copy will be sent to all Committee members.

This item will be tabled until the Interlocal Agreement has been reviewed.

SUBJECT: Request to Name an Existing Unnamed Street/Easement

BACKGROUND:

On Monday, May 22, 2017, Karen Ferroni contacted GIS, Technology Services to reserve DEER CANYON CT in the Washoe County Master Street Directory Reservation table serving six parcels for address changes and direct trash pickup. GIS has performed its due diligence by checking the street name against the Master Street Directory for any existing street name duplicates or similar phonetically-sounding street names for the purposes of Emergency Management.

FROM: Bradley Kaneyuki, Technology Services / GIS

SUBJECT: Request a Street Name Change

BACKGROUND:

On Thursday, October 20th, 2016, during the Miscellaneous Items session of the Regional Street Naming Committee, Randy Baxley of the Washoe County School District voiced his concerns of two separate streets named MYERS RD. The Master Street Directory, Assessors parcels, USPS and field check supports MEYERS AVE (off HEINDEL RD) within the Washoe County jurisdiction.

Pending: Request for a Certificate of Amendment has been submitted to Mike Gump, Washoe County Surveyor, to correct the street name to match the source references.

The Assessors parcels and USPS also support MEYERS AVE (off HOGE RD) within the jurisdiction of Washoe County. A field check only revealed a Waste Management disposal container addressed to HOGE RD. The Regional Street Naming Committee approved a letter to be drafted as a proposal to rename MEYERS AVE (off HOGE RD) to HOGE RD for delivery to the property owners.

Status: Property owner, Matt Potts, the only resident of said street, has responded with a fill-in approval return letter. Action by RSNC members are required for final approval.

RE: Proposed renaming **MEYERS AVE** (off HOGE RD) to **HOGE RD**

Date: May 30, 2017

Dear Property Owner,

A request has been made by the Washoe County School District to rename **MEYERS AVE** (off HOGE RD) to **HOGE RD**. The Reasons being cited are:

1. Separate duplicate street names have hindered efficient response times for E-911 calls.
2. Problems have arisen with the school district and zoning.

This request will be considered by the Regional Street Naming Committee (RSNC) at the next regularly scheduled committee meeting. That meeting will be held **Thursday, July 20th, 2017, 2:30 PM, at the Washoe County Administrative Complex, 1001 E. 9th Street, Building A, Room A255**. You are welcome to attend. Upon recommendation of the RSNC, the request will be considered, then approved or denied by the Regional Street Naming Committee.

Should renaming be approved, the physical (situs) address issued to the parcel (see APN below) will change. If your parcel's physical address is being used as your mailing address, you can continue to use the old address for a period of up to six (6) months. It is the property owner's responsibility to notify tenants of proposed or resulting address change(s).

Please return this letter with your comments no later than July 13th, 2017. You may respond by email, phone or fax. However you choose to respond, please include your name, address and parcel number(s). **Your participation is greatly encouraged. Be advised, failure to respond to this mailing, indicating either opposition or approval, may result in the opinion of only a few respondents representing the opinion of many.**

I approve of the name change and think it will be very beneficial.

SUBJECT: Draft a Procedure for an Appeal Process after a RSNC Meeting

BACKGROUND:

On Monday, March 27th, 2017, Washoe County GIS received a phone call from a representative of a client contesting the naming of an unnamed easement as approved by the Regional Street Naming Committee. The approval took place over a year ago on Thursday, January 21st, 2016. Rather than follow RSNC protocol of submitting a request to rename an existing street with a \$100 fee, the client has requested an appeal. The procedure for appealing the naming of an unnamed easement or renaming a named street to the Board of County Commissioners is not codified in the RSNC manual. An Appeal to the Board of County Commissioners (BCC) Application exists but the Master Fee Schedule does not accommodate street name appeals.

Status: *Interlocal Agreement Creating A Regional Street Naming Committee* of July 20th, 1982, granting the powers and duties of the committee, has been submitted to the RSNC Chair, Vice Chair and Washoe County District Attorney. The Appeal Process is open for discussion.
