Good Evening,

I whole heartedly believe that Delores Feemster is deserving of more than a street name. She has served the greater Reno, NV committee for years which includes but is no limited to her service with Washoe County School District, NAACP, and working with the senior community on voting rights, etc.

Mrs. Feemster deserve a building and I believe that building should be the CSA building. Several meetings were held there by her initiative in serving our community. This building will represent her service and work for years to come and for those who enter.

Sincerely,

Peggy Montgomery
