**TO:** Regional Street Naming Committee

**FROM:** Stephen Hein, Regional Street Naming Coordinator (RSNC)  
Licensed Engineer – Engineering & Capital Projects Division

**SUBJECT:** October 20, 2022, Regional Street Naming Memo

Regional Street Naming Committee:

One application for naming or renaming of existing streets, easements, or alleyways has been submitted for consideration. The application is as followed:

#### New Business

1) [Larkin Circle – John Phillips Circle](#)

An application to rename Larkin Circle to John Phillips Circle was received on August 11, 2022. Larkin Circle is located within the City of Sparks. The roadway generally runs in an east-west direction and lies to the east of Greg Street. The application notes John Phillips has purchased and upgraded multiple facilities on Larkin Circle since 1989 and would like to be recognized for the service provide. Eleven parcels with twelve unique addresses would be affected by the potential change.

Washoe County GIS performed due diligence by checking the proposed street names against the Master Street Directory for any existing, duplicate, or similar-sounding street names for the purpose of emergency management. The primary proposed street name, **Philips Circle**, was rejected due to a duplication of the street name. The secondary choice, **John Phillips Circle**, is unique and has been accepted into the Street Reservation List.
