

# OPERATIONAL GUIDELINES FOR ESSENTIAL BUSINESSES

## PROTECT YOUR EMPLOYEES AND CUSTOMERS

### KEEP YOUR DISTANCE

- Maintain 6 feet of separation between people to provide social distancing

### 10 OR LESS

- Permit no more than 10 people in the establishment

### MINIMIZE PERSONNEL INTERACTION

- Whenever possible, adopt contact-less payment systems
- Provide curbside, pick-up or delivery of goods whenever possible

### WASH YOUR HANDS

- Wash your hands with soap and warm water for at least 20 seconds
- Provide alcohol-based hand sanitizer

### CLOSE ON-SITE DINING, BAR AND GAMING AREAS

- Close dining areas with physical barriers or by placing chairs on dining room tables
- Close all bar and lounge areas
- Close all gaming machines, devices, tables and games

### FREQUENT CLEANING

- Clean and disinfect counters, tabletops, toilets, phones, keyboards, and door handles frequently throughout the day

### PROHIBIT SELF-SERVE FOOD AND BEVERAGE

- Prohibit self-serve food and beverage, including drinks, condiments and samples

### STAY HOME IF YOU ARE SICK

- Employees must stay at home if sick

### FOLLOW STATE DIRECTIVES

- Comply with Gov. Sisolak's Emergency Directive 003 Guidance for essential businesses

### WHAT IS CORONAVIRUS COVID-19?

A respiratory illness that can spread from person-to-person; first detected in Wuhan, China, but has now spread to most countries in the world

### COMPLICATIONS

Some patients have pneumonia, multi-organ failure and in some cases death

### SYMPTOMS

Symptoms appear 2-14 days after exposure

- Fever (above 100.4° F or 38° C)
- Cough
- Shortness of breath

### WHO IS AT RISK?

- Older adults (age 50+)
- People with medical conditions:
  - Heart disease
  - Lung disease
  - Diabetes
- People who have been in close contact with a person infected with COVID-19
- People who have recently been in an area with increased risk of exposure

### IF YOU SUSPECT INFECTION

- Contact a doctor or healthcare provider immediately
- Stay at home and isolate yourself from others to prevent further infection
