

Downloading lidar data from USGS

<https://viewer.nationalmap.gov/basic/>

Select data type from “Datasets” section.

Zoom map to area of interest.

The screenshot shows the USGS National Map Viewer interface. The browser address bar displays <https://viewer.nationalmap.gov/basic/>. The page header includes the USGS logo and 'The National Map' branding. The main navigation bar contains 'TNM Download (V1.0)', 'How to', 'Start Over', 'Custom Views', 'Share Link', and 'Contact Us'. The 'Datasets' section is active, showing a list of data types with checkboxes. Under the 'Data' category, 'Elevation Source Data (3DEP) - Lidar, IfSAR' is selected. The 'Product Search Filter' section shows 'DEM Source (OPR)' selected under 'All Subcategories'. A 3D topographic map of the Sparks, NV area is displayed on the right, showing terrain contours, roads, and water features. The map includes a search bar, navigation controls, and a scale bar. The footer contains links for 'Accessibility', 'FOIA', 'Privacy', and 'Policies and Notices'.

Click blue “Find Products” button. Results show in left window.

The screenshot shows the USGS TNM Download website interface. The top navigation bar includes 'USGS' and 'The National Map' logos. The main header displays 'TNM Download (V1.0)' and various utility links like 'How to', 'Start Over', 'Custom Views', 'Share Link', and 'Contact Us'. Below the header, there are tabs for 'Datasets' and 'Products'. The 'Available Products' section is active, showing search results for 'Elevation Source Data (3DEP) - Lidar, IFSAR'. The results are displayed in a table with columns for product details, footprint thumbnails, and actions. The 'Footprint' link for each result is highlighted. To the right of the table is a map of the Sparks, NV area, showing topographic contours, roads, and water features. A blue rectangular box on the map indicates the geographic extent of the search results. The map includes a search bar, navigation controls, and a scale bar.
