

Our Recycling Program

PAPER

Blue paper recycling bins are located at employees desks. When full, take paper to centralized office paper recycling bin for weekly pick-up by cleaning staff.

CARDBOARD

Place cardboard near office paper recycle bin with note that says "recycle." Please breakdown cardboard. This applies to corrugated cardboard only. Cleaning staff will recycle the material for you! Please be courteous and take large amounts of cardboard to your centralized recycling location.

PLASTIC BOTTLES, TIN & ALUMINUM CANS

New regional recycling program! Centralized recycling centers are placed through County buildings for aluminum, tin and plastic (Hint: look in main hallways/foyers). Place your tin, aluminum, and plastic in the centrally located bins.

What's Recyclable

White and colored paper
Envelopes, white, colored, brown kraft, windows are okay
Newspapers
Magazines,
Manila Folders
Pamphlets, Brochures,
Stables are okay,
Post it notes, brown grocery store bags,
