

Washoe County Human Services Agency

SECTION 12 ADVERTISING

- 12.1 Law. It is unlawful to publicly advertise in any manner a child care facility without first having obtained a child care facility license as provided in Chapter 45 of the Washoe County Code and these Regulations.
- 12.2 Statements of service. Advertisements and statements of services available at child care facilities shall be limited to such services as are specified in the license and no advertising or statements or claims of specialized educational training or experience or related services shall be made unless authorized by the license.
