

## **WASHOE COUNTY EMPLOYEE PARKING POLICY**

Some County facilities provide free parking areas for employees along with public parking areas. These specific areas are clearly marked.

Employee paid parking is available for the downtown/courts locations by request of the employee.

All county employees are required to park in the **DESIGNATED EMPLOYEE PARKING AREAS ONLY** in all Washoe County parking locations and obey all curb markings and parking signs.

Please check with your Department Human Resources Representative for your specific employee parking areas.

Parking is enforced through the Public Works Department – 328-2100.

*Violators will be subject to having their vehicles towed at their own expense.*
