

SELF FUNDED PPO HIGH DEDUCTIBLE PLAN MEDICAL BENEFIT SUMMARY

CHOICE OF PPO OR NON-PPO PROVIDERS

**This HDHP is compatible with a Health Savings Account (HSA)
and Health Reimbursement Arrangement (HRA)**

Washoe County has contracted with a Preferred Provider Organization (PPO) of health care providers. When obtaining health care services, a Covered Person has a choice of using providers who are participating in the PPO network or any other Covered Providers of his/her/their choice (Non-PPO providers).

PPO Providers have agreed to provide services to Covered Persons at negotiated rates. When a Covered Person uses a PPO provider, his/her/their out-of-pocket costs may be reduced because he/she/they will not be billed for expenses in excess of those negotiated rates. The Plan may also include other benefit incentives to encourage Covered Persons to use PPO providers whenever possible. Non-PPO provider fees are subject to Usual and Customary (U&C) and the Non-PPO benefit level (deductible and coinsurance). A Covered Person's out-of-pocket costs will be greater when using a Non-PPO provider because they can balance bill for the amount in excess of their billed charges.

Your PPO Network is the United HealthCare Choice Plus Network. This PPO Network name and contact information is listed on your identification card and can be found at www.umar.com.

It is important to read the entire Plan Document. The Medical Benefit Summary section provides only the highlights of the Plan and should not be relied on to determine the extent to which a service or benefit is covered or excluded.

	PPO HDHP In-Network	Non-PPO HDHP Out-of-Network
LIFETIME MAXIMUM	Unlimited	
MAXIMUM DEDUCTIBLE – Calendar Year		
Employee (Self Only)	\$2,600	\$4,500
Family (Self + 1 or more family members)	\$3,000	\$5,500
OUT-OF-POCKET MAXIMUM – Calendar Year		
Individual Out-of-Pocket	\$5,250	\$10,500
Family Out-of-Pocket	\$6,350	\$10,750

DEDUCTIBLE MAXIMUM

If you select Employee Only Coverage you pay a \$2,600 deductible per Calendar Year before the Plan provides benefits.

If you select Family coverage (*employee plus one or more eligible dependent enrolled*), no individual deductible applies and the family deductible must be met before the Plan provides benefits to any family member. The \$3,000 Family Deductible amount is met as follows:

- (1) When one family member has satisfied the \$3,000 Family Deductible, that family member and all other family members are eligible for benefits, or
- (2) When no family member meets the family deductible on their own, but the family members collectively meet the entire family deductible, then all family members will be eligible for benefits.

MEDICAL & PRESCRIPTION OUT-OF-POCKET MAXIMUM

Out-of-Pocket Maximum for an Individual or Family Member - Once a covered individual or member of the family has satisfied the \$5,250 Out-of-Pocket Maximum for PPO In-Network or \$10,500 for Non-PPO Out-of-Network in a Calendar Year, then Eligible Expenses will be reimbursed at 100% for that family member, even when the Family Out-of-Pocket limit has not been met. Prescription Drug, PPO In-Network and Non-PPO Out-of-Network are combined for purposes of determining the **Out-of-Pocket Maximums**.

Out-of-Pocket Maximum for Family - Once the Family has satisfied the \$6,350 Out-of-Pocket Maximum for PPO In-Network or \$10,750 for Non-PPO Out-of-Network in a Calendar Year, then Eligible Expenses will be reimbursed at 100% for the family for the remainder of the Calendar Year. Prescription Drug, PPO (In-Network) and Non-PPO Out-of-Network are combined for purposes of determining the **Out-of-Pocket Maximums**.

Out-of-Pocket Maximums are the monies you pay towards your plan's deductibles, coinsurance and co-pays. Out-of-Pocket Maximums do not apply to or include:

- 1) amounts in excess of Usual, Customary and Reasonable as determined by the Plan;
- 2) expenses which become the Covered Person's responsibility for failure to comply with the requirements of the **Utilization Management Program**.
- 3) Expenses which become the Covered Person's responsibility for services not covered by the Plan.
