For 1st and 2nd offenses, I will be required to have an interlock device installed in my vehicle for not less than 185 days if I had a concentration of alcohol of less than 0.18 in my blood or breath as a condition of the reinstatement of my driver's license; or for not less than 12 months or more than 36 months with a concentration of 0.18 or more pursuant to NRS 484C.460. The court may grant an exception to the requirement for first time offenders on the basis of economic hardship and other exceptions pursuant to NRS 484C.460(2).

Early removal of an interlock device may result in mandatory jail time and or fees.

I have the option to apply for treatment under NRS Chapter 484C.
