Items with a specific time designation will not be heard prior to the stated time but may be heard later.

Any member of the public wanting to attend, participate or provide public comment in-person at meetings should review the agenda posted online. This meeting will be held in person attendance.

Accessibility. The Regional Emergency Operations Center is accessible to the disabled. If you require special arrangements for the meeting, call the Office of Emergency Management, (775) 224-4109, 24 hours prior to the meeting.

Following the agenda. All number or lettered items on this agenda are hereby designated for possible action as if the words for possible action were written next to each, except for items marked with an asterisk (*). Items on this agenda may be taken out of order, combined with other items, discussed, or voted on as a block, removed from the agenda, moved to another agenda of another later meeting at the discretion of the Chairperson.

Public comment and time limits. Public comments are welcomed during the Public Comment period for all matters, whether listed on the agenda or not, and are limited to three minutes per person. Additionally, public comment of three minutes per person will be heard during individually numbered items designated as "for possible action" on the agenda. Public comment on action items must pertain to the action item being considered. Persons are invited to submit comments in writing on the agenda items and/or attend and make comment on that item at the Committee Meeting. Persons may not allocate unused time to other speakers.

Forum restrictions and orderly conduct of business. The Washoe County LEPC is a community-based organization that assists in preparing for emergencies related to hazardous materials. The presiding officer may order the removal of any person whose statement to other conduct disrupts the orderly, efficient, or safe conduct of the meeting. Warnings against disruptive conduct may or may not be given prior to removal. The viewpoint of a speaker will not be restricted, but reasonable restrictions may be imposed upon the time, place, and manner of speech. Irrelevant and unduly repetitious statements and personal attacks which antagonize or incite others are examples of speech that may be reasonably limited.

Responses to public comments. The Washoe County LEPC can deliberate or take action only if a matter has been listed on an agenda properly posted prior to the meeting. During the public comment period, speakers may address matters listed or not listed on the published agenda. The Open Meeting Law does not expressly prohibit responses to public comments by the Committee. However, responses from Washoe County LEPC members to unlisted public comment topics could become deliberation on a matter without notice to the public. On the advice of legal counsel and to ensure the public has notice of all matters the Washoe County LEPC will consider, Washoe County LEPC members may choose not to respond to public comments, except to correct factual inaccuracies, ask for County staff clarification, or ask that a matter be addressed on a future meeting or district forum. Washoe County LEPC members may do this either during the public comment item or during the following item: "LEPC CHAIRPERSON/BOARD MEMBER ANNOUNCEMENTS/ITEMS AND SELECTION OF TOPICS FOR FUTURE MEETINGS"
