- Establish a County-wide awareness educating departments of tools and resources available to them for process improvement. Hammer home the desire for out-of-the-box thinking and encouraging employees to "shoot for the moon" when it comes to improving services they provide. Focus on County-wide partnerships to create and develop innovative services to citizens.
 - Oue to Election season taxing TS & Comms. staff this County-wide awareness was not established during Q1. The team will create a landing page on Inside Washoe educating departments of the tools and resources in place, with success stores included during Q2. (Oct 22, 2020)
- County-wide assessment focusing on identification of services or processes ripe for improvement. Looking particularly for opportunities for citizen self-service and automation of labor-intensive processes.
 - Due to Election season taxing TS & Comms. staff this County-wide assessment did not take place during Q1. (Oct 22, 2020)
