

OrgCode Report and Next Steps for the Northern Nevada CoC

Presentation to CHAB, November 4, 2019
Bill Thomas, Assistant City Manager

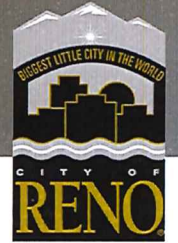

CHAB 11-4-19 #7
Reno City Manager

Overarching Recommendations

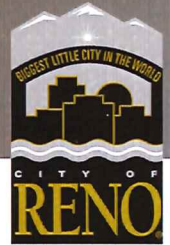

- All community partners need to work collaboratively with the goal of ending homelessness
- Community partners need to use a system built upon evidence-based practices to ensure homelessness is rare, brief, and non-recurring
- CoC leadership needs to transfer from a contracted consultant to a local jurisdiction to increase the community's coordination and investment in the homeless service delivery system
