## Interests & Experiences

### Which Boards would you like to apply for?

Washoe County Audit Committee: Submitted

### Please tell us about yourself and why you want to serve.

### Why are you interested in serving on this board/commission?

Washoe County Audit Committee fits me well. As a retired business owner, I have experience in understanding multiple business units operating within a single organization such as a civic organization, a major university or a corporation. I have volunteered at high-level posts operating in Ventura County, California and in the City of Los Angeles. I believe in serving my community.

**How do you feel you are qualified to serve on this board? Include any past experience, as well as serving on other board/commissions.**

---

I am well-qualified to support the County as a volunteer on this committee. I am not a CPA which is not a qualification of this position, but a good team asset. I believe that I can balance my professional experience working well as a team member with CPAs as well as County Commissioners. There are a wide variety of opinions when auditing or reviewing business unit operations, financials, procedures and opportunities. I hope part of my role would be to encourage the County's continuous improvement and growth as a governmental organization. I can learn, understand and communicate about complex operational issues and connect them to potential issues/mitigation for the Commissioners to consider. I do not currently sit on any boards or commissions. I left my formal civic leadership roles, when I moved to Nevada. I am consulted from time-to-time on harbor related development business. I do have development presentations and proposals that may be still in-play in Ventura County.

**Do you currently serve on any boards/committees or volunteer?**

---

Yes  No

**If yes, please list the boards/committees or volunteer programs.**

---

In 2022/2023 I led my fellow Rancharra neighbors in the effort to Save the Rancharra Equestrian Center from demolition, led by developers. I co-developed and submitted to the Washoe County CEO's Office June 2023, to Mr. David Solaro - an Unsolicited Proposal to SAVE THE Rancharra Equestrian Center. Along with other fellow equestrian lovers, I presented our case publicly, to the media and to the City. The proposal concepts were actually used by Churchill County. They have rescued much of the legendary equestrian center's assets. I do continue to volunteer for my neighbors in Rancharra and write a newsletter regarding developments of concern. I also participated in the Nevada Women's Leadership Alliance in 2024.
