About Us

LEAB was founded in July, 2023 by the Nevada Homeless Aliance with funding from HUD. All members have lived experiance of homelessness.

Vision

Our vision is to make a safer, healthier , happier environment for everyone in our community. We want housing to be a human right, and wrap around services available to everyone who wants and needs it.

Mission

Our mission is to use our experience to improve homeless services, and the way people experiancing homelessness are treated in Northern Nevada.
