

Washoe County, Nevada

~PROCLAMATION~

WHEREAS, Washoe County recognizes that cybersecurity awareness plays a vital role in identifying, responding, and protecting its citizens from cybersecurity threats that may have significant impact to individuals and collective safety and privacy; and

WHEREAS, Cybersecurity education and awareness is crucial for everyone and anyone who connects to the internet; and

WHEREAS, Washoe County is dedicated to providing every individual and public and private organization in Washoe County the resources necessary to ensure the understanding, implementation, and success of Cybersecurity Awareness Month to help the citizens of Washoe County stay safe online and connect with confidence; and

WHEREAS, The Technology Services Department will launch a series of cybersecurity awareness campaigns for County employees.

NOW, THEREFORE, the Washoe County Board of Commissioners does hereby proclaim October 2021 as

~National Cybersecurity Awareness Month ~

We call upon the people, companies, and institutions of Washoe County to recognize the importance of cybersecurity and to observe this month through events, training, and education to further our country's national security and resilience.

Dated this 28th day of September 2021.

Bob Lucey, Chair
Washoe County Commission
