

Attention Tennis & Pickle Ball Players

Thanks to a generous grant from the William N. Pennington Foundation, Washoe County will be resurfacing these courts soon.

Based on your input, Washoe County is considering a proposal to restripe the facility to include one dedicated tennis court *and* four dedicated pickle ball courts in an effort to reduce existing confusion with dual striping and user conflicts (See map layout below).

This proposal will be considered at the following public meeting and we encourage your participation:
