

Park Planning and Development

Open Space and Regional Park Commission Meeting

FEBRUARY 2022

PLANNING HIGHLIGHTS

- A second Americorps position was filled to assist with implementing the Integrated Vegetation Management Plan. The two positions will run through August 2022.
- A Commission for Cultural Centers and Historic Preservation (CCCHP) grant application was submitted for the Galena Creek Schoolhouse Restoration project that would provide funding to stabilize and restore the interior and exterior of the schoolhouse building at Phillip & Annie Callahan Park.
- A Nevada Department of Wildlife Shooting Range grant application was submitted to implement Phase 1A of the Master Plan for the Regional Archery Facility.
- Staff attended the first official Truckee Meadows Trails Working Group meeting on February 17th.
- The Carcione and Canepa Ranch Recreation Access Plan is nearing completion and will be presented to the Park Commission at the April meeting.
- The second public meeting as part of the Hidden Valley Regional Park Master Plan update will take place via Zoom on March 2nd at 5:30 pm. Our consultants with Stantec have been working to refine the three conceptual plans that were presented at the first public meeting into a preferred alternative based on survey results and public input. The master plan is expected to be presented to the Park Commission in May.
- All steps necessary to move forward with the Riverbend boundary line adjustment have now been completed and the project will be presented to the Board of County Commissioners for final approval. Staff will provide an overview of this project at the April meeting.
