

Park Planning and Development

Open Space and Regional Park Commission Meeting

May 2022

PLANNING HIGHLIGHTS

- The Riverbend boundary line adjustment has been finalized and recorded. Next steps include construction of a trailhead and river path this fall, pending distribution of Land and Water Conservation Fund grant monies. Staff will present an update on this project at an upcoming Park Commission meeting.
- The 2022 Hidden Valley Regional Park Master Plan will be presented to the Board of County Commissioners for potential adoption on June 21st.
- Staff are initiating a master planning process for Sun Valley Open Space.
