

Volunteer Report

Open Space and Regional Park Commission Meeting
April 2022

February Volunteer Updates

- February Volunteer Hours = 357.25
This is pretty in line with the amount of volunteer hours we see most Februarys. We don't usually have a lot of groups in February due to planning around weather, but our "regulars" such as Arboretum volunteers, LDS Missionaries, Galena Creek Visitor Center hosts, and Lazy 5 Pickleball/Basketball volunteers are reflected in this total.
- Keep Truckee Meadows Beautiful came up with a fun concept for volunteering – a Valentine's themed event for singles called "*Mulch Ado About Nothing*". The event attracted 22 participants and took place at Rancho San Rafael Park. Volunteers spread one and a third truckloads of Christmas tree mulch to help mitigate weeds. Although we don't believe any love connections were made, a great time was had by all.
- Upcoming events – We have begun planning for the Keep Truckee Meadow's Beautiful Great Community Cleanup happening on Saturday, April 30th from 9am-12pm. Participating Washoe County Parks include Lockwood Park, Rancho San Rafael Regional Park, North Valley's Regional Park, Bartley Ranch Regional Park, Dorostkar Park and Crystal Peak Park. Signups are available now on ktmb.org.
