

Open Space and Regional Parks Commission Meeting
January 24, 2024

PLANNING HIGHLIGHTS

- Parks was tentatively awarded a Recreational Trails Program (RTP) grant in the amount of \$87,588 to support Phase 1 Trail System Improvements at Hidden Valley Regional Park. The project is based on the updated Hidden Valley Master Plan (2022)
- Construction started for Phase 1 of the Galena Schoolhouse Restoration project and is expected to be complete in spring 2024. This project is funded through a Commission for Cultural Centers and Historic Preservation (CCCHP) grant.
- Design plans were completed for the Regional Archery Facility Phase 1 Improvements including a new parking lot and restrooms. The project is expected to go out for bid in January 2024. This project is funded through a Nevada Department of Wildlife Shooting Range grant.
- Staff submitted grant applications for four projects to the Conserve Nevada grant program. The projects included a land acquisition for the Swan Lake Nature Study Area, Sun Valley Regional Park trail system improvements, Lower Whites Creek Trail improvements, and construction of the Canepa Ranch Trailhead based on the Carcione-Canepa Ranch Recreation Access Plan (2022).
