

# Real Time Crime Center Partnership

Washoe County Open Space and Regional Parks Commission

March 26, 2025

# Northern Nevada Regional Intelligence Center

## INTRODUCTION

History

Current Status

Future

# Northern Nevada Counter Terrorism Center

- Originally founded as one of two state of Nevada, Fusion Centers.
- Partnered with Reno/Sparks/State of Nevada
- Disbanded and re-formed into NNRIC when state moved the fusion center to Carson City, NV.

# Northern Nevada Regional Intelligence Center

- Following the move of the FUSION center to Carson City, the three remaining agencies in the area saw a need for an intelligence center based in Washoe County.
- NNRIC was formed with members of Reno PD, Sparks PD, and the WCSO assigned as crime analysts, intelligence analysts, and detectives.

# NNRIC Today

# Northern Nevada Regional Intelligence Center 2025

## Intelligence Analysts

Today NNRIC utilizes Intelligence Analysts to monitor, collect, and disseminate intelligence both Regionally and Nationwide.

NNRIC has partnered with Nevada Threat Assessment Center NTAC to better serve the community and mission.

Intelligence analysts receive tips on every topic from protests to new threats detected from international incidents.

## Crime Analysts

NNRIC utilizes crime analysis and analysts to monitor criminal trends regionally and nationally

Analysts collaborate with counterparts at state level and locally to better serve the community.

# Northern Nevada Regional Intelligence Center 2025

## Detectives

NNRIC currently utilizes assigned Detectives for multiple functions

- Threat assessment
- Undercover operations
- Informant Cultivation
- Social Media Mining

## Detention Analyst

NNRIC currently has one Deputy assigned from the Washoe County Detention Facility that acts as an analyst. This Deputy is responsible for conducting interviews of incarcerated individuals for intelligence purposes and acts as a liaison between in custody operations and out of custody enforcement.

# Northern Nevada Real Time Intelligence Center

Anticipated opening June 2025

Partnerships with community

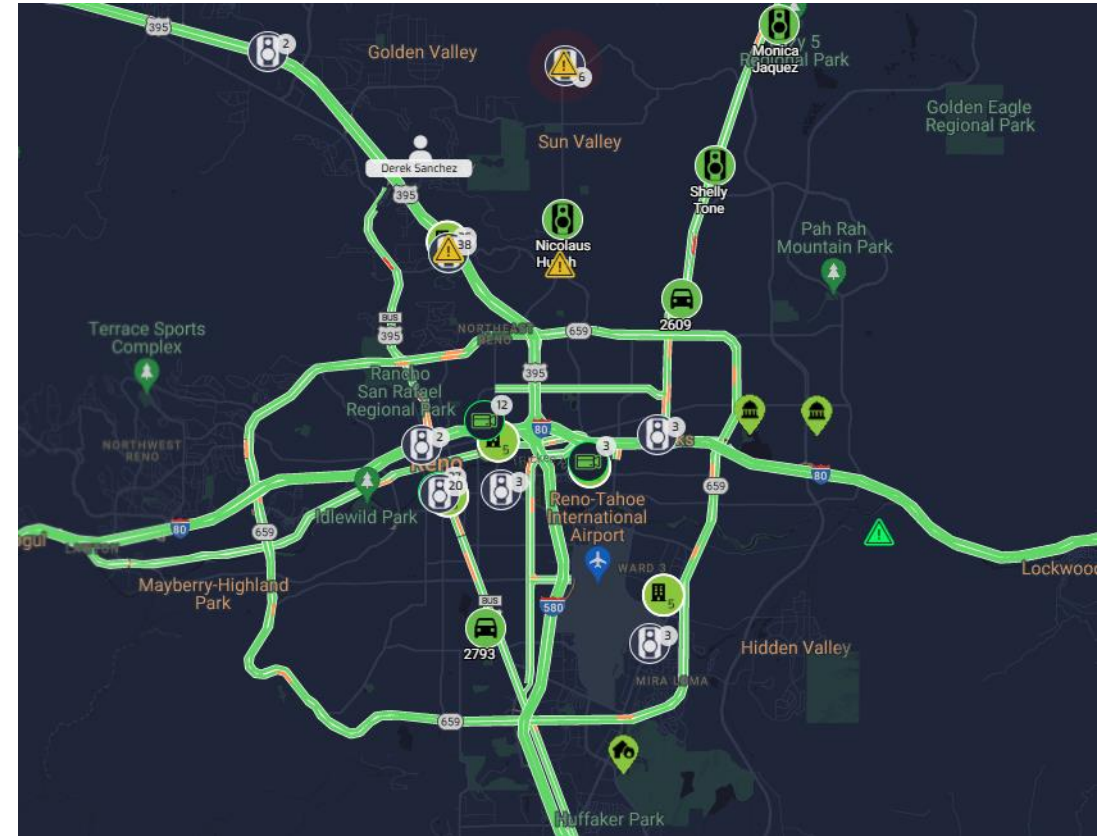

ACLU Invited to collaborate

Camera Systems

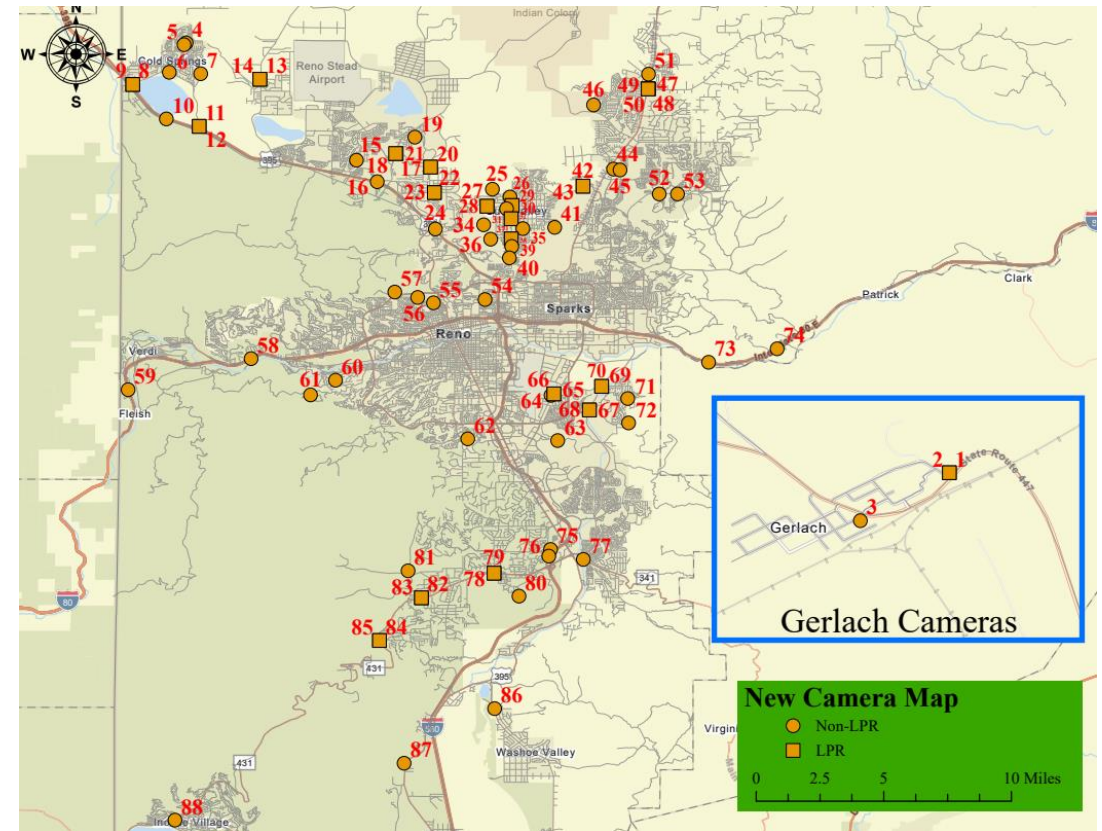

# Real time Platform

- Incorporates data points from digital sources throughout region.
- Video, traffic patterns, License plate readers, social media, news, and police data all visible on a “Single pane” platform so that operators can get a “Real Time” assessment of incidents

# Participation

- Washoe County Sheriffs Office has purchased approximately 120 cameras for deployment in region.
- Deployment was coordinated using crime analysis of areas that experience highest crime through year and major thoroughfares.

## Parks Participating

- Cold Springs Community Center
- North Valleys Regional Park
- Mayberry Park
- Bartley Ranch Regional Park
- South Valleys Regional Park
- Hidden Valley Regional Park
- Hunter Creek Trailhead
- Lazy 5 Regional Park
- Rancho San Rafael Regional Park

## Take Away:

- \$0 cost to parks budget
- Temporary cameras have been used successfully in Parks for 3 years
  - E.g. Hidden Valley
  - Result was an immediate decrease in crimes in parks
- Focus will be on parking lots
- Cameras are pointed away from residences
- A reasonable expectation of privacy will be maintained
  - Bathrooms, pools, splash pads

# Thank you
