## **Event Operation Details Lake Tahoe SummerFest 2016**

### **Security and Fire protection:**

Security will be provided by the on-site college security staff of Sierra Nevada College. If it is deemed necessary to provide additional security Lake Tahoe SummerFest (LTSF) is prepared to get private security. A temporary electronic security monitoring system will also be installed in the tent.

The staff and board of LTSF have had an on-site inspection and preliminary meetings with Mark Regan, Fire Chief. LTSF along with Mark White of White House staging-our tent provider-will be working with the Fire Department to assure that we comply with all fire regulations and requirements. LTSF and White house staging will also have Mark Regan conduct all the fire inspections.

### **Water Supply and Sanitation:**

LTSF will be using the current water and sanitation facilities of Sierra Nevada College. Signage will direct attendees to sanitation facilities. The college campus exceeds requirements for anticipated attendees.

### **Medical facilities and services:**

Medical facilities will not be necessary this event.

### **Vehicle parking spaces:**

238 parking spaces are available for event use at Sierra Nevada College. It was determined that this will be sufficient for the 400 event attendees. If additional parking spaces are necessary the Recreation Center parking facilities (200 parking spots) have been identified. They have agreed with LTSF on providing these additional spots.

### **Vehicle access and parking control:**

See the attached site plan where vehicle access can be seen. Traffic control will be provided by at least two volunteers during each night of the event.

### **Communication system:**

One microphone on stage can be utilized for attendees' announcements if necessary. Event Director and designated event emergency team will have both cell and radio communication. There will be no amplification of music at this event.

### **Illuminating the premises:**

All event activity will be over by 9:00pm, which will be the beginning of dusk during this time of the year. Event parking and path lighting is already installed at Sierra Nevada College. The tent and stage lighting will be provided by White House Staging.

### **Camping:**

No camping will be allowed at this event

### **Clean-up and Rubbish removal:**

Lake Tahoe SummerFest Volunteers and Waste Management will be looking after the clean-up and rubbish removal. IVGID will be providing LTSF with two lockable trash containers with scheduled pick up.

**Estimated cost:** The total cost of Waste Management for 2015 was \$ \$305. We estimate the same cost for 2016.
